On December 22, 2022, the Company, Parent and Merger Sub entered into an agreement and plan of merger (the “Merger Agreement”), which includes a plan of merger required to be filed with the Registrar of Companies of the Cayman Islands substantially in the form attached as Exhibit A to the Merger Agreement (the “Plan of Merger”). Following satisfaction of the conditions under the Merger Agreement, Merger Sub will be merged with and into the Company (the “Merger”) through a “short-form” merger between a parent company and one of its subsidiary companies (as those terms are defined in the Companies Act (As Revised) of the Cayman Islands (as amended, modified, or re-enacted from time to time, the “Cayman Islands Companies Act”)) in accordance with Part XVI and in particular Section 233(7) of the Cayman Islands Companies Act, with the Company continuing as the surviving company (as defined in the Cayman Islands Companies Act, the “Surviving Company”) resulting from the Merger.

The following summary describes the material terms of the Merger Agreement, including the Plan of Merger, but does not purport to describe all of the terms of the Merger Agreement and is qualified in its entirety by reference to the complete text of the Merger Agreement, which is attached to this Transaction Statement as Exhibit (d)(1). Unaffiliated Security Holders should read the Merger Agreement and the Plan of Merger in their entirety because they, and not this Transaction Statement, are the legal documents that govern the Merger.

The Merger

At the effective time of the Merger (the “Effective Time”), Merger Sub will be merged with and into the Company through a statutory “short-form” merger in accordance with Part XVI and in particular Section 233(7) of the Cayman Islands Companies Act. We expect the Merger to take place soon after 20 days following the date of the mailing of this Transaction Statement to the Company’s shareholders, or such later date as may be required to comply with Rule 13e-3 under the Exchange Act and all other applicable laws, after all the closing conditions to the Merger have been satisfied or waived in accordance with the Merger Agreement. Following the Effective Time of the Merger, ADSs will no longer be listed on NASDAQ, and the Company will cease to be a publicly traded company and will be a privately held, direct wholly owned subsidiary of Parent.

Merger Consideration

Under the terms of the Merger Agreement and the Plan of Merger, at the Effective Time, (i) each Share issued and outstanding immediately prior to the Effective Time (other than the Excluded Shares (as defined below), Shares represented by ADSs and Dissenting Shares (as defined below)) will be cancelled in exchange for the right to receive US\$1.00 in cash per Share without interest (subject to adjustment as described below) (the “Per Share Merger Consideration”); (ii) each ADS issued and outstanding immediately prior to the Effective Time, together with the underlying Shares represented by such ADSs, will be cancelled in exchange for the right to receive US\$1.00 in cash per ADS without interest (subject to adjustment as described below) (the “Per ADS Merger Consideration,” and together with the Per Share Merger Consideration, the “Merger Consideration”) (less US\$5.00 for each 100 ADSs (or portion thereof) cancellation fees pursuant to the terms of the deposit agreement (the “Deposit Agreement”), dated as of June 11, 2019, by and among the Company, JPMorgan Chase Bank, N.A. as depositary for ADSs (the “Depositary”), and all beneficial owners and holders from time to time of ADSs issued thereunder).

The Merger Consideration and any other amounts payable pursuant to the Merger Agreement will be adjusted appropriately to reflect the effect of any share split, reverse share split, share dividend (including any dividend or other distribution of securities convertible into Shares or ADSs, as applicable), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to the

Shares or ADSs, as applicable, effectuated after the date of the Merger Agreement and prior to the Effective Time (but excluding any change that results from any exercise of Company Options (as defined below) to purchase Shares or the vesting or settlement of any Company Restricted Shares (as defined below)), and to provide the holders of Shares (including Shares represented by ADSs), Company Options and Company Restricted Shares with the same economic effect as contemplated by the Merger Agreement prior to such event and as so adjusted will, from and after the date of such event, be the Per Share Merger Consideration or the Per ADS Merger Consideration, as applicable (the “Consideration Adjustment”).

The “Excluded Shares” are, collectively, (a) the Rollover Shares (as defined below), (b) Shares (including Shares represented by ADSs) held by any of Parent, Merger Sub and any of their respective affiliates, (c) Shares (including Shares represented by ADSs) held by the Company or any subsidiary of the Company or held in the Company’s treasury, and (d) any Shares (including Shares represented by ADSs) held by the Depositary and reserved for issuance, settlement and allocation pursuant to the Share Incentive Plan (as defined below).

The “Rollover Shares” are (i) Shares (including Shares represented by ADSs) held by the Rollover Shareholders as of the date of the Merger Agreement, and (ii) any Shares (including Shares represented by ADSs) that the Rollover Shareholders may acquire following the date of the Merger Agreement and prior to the Effective Time by means of purchase, dividend or distribution, or issuance upon the exercise of any Company Options or warrants, the conversion of any convertible securities, or otherwise.

Treatment of Company Options and Company Restricted Shares

As of the Effective Time, Parent will assume the 2019 Equity Incentive Plan of the Company adopted on May 2, 2019 (the “Share Incentive Plan”), including all of the obligations of the Company with respect to the Company Options (as defined below) and Company Restricted Shares (as defined below) assumed or converted, respectively, pursuant to the Merger Agreement, subject to any limitations under applicable law.

Immediately prior to the Effective Time, except as otherwise agreed to in writing among a holder of a Company Option, the Company and Parent, each option to purchase Shares under the Share Incentive Plan (each, a “Company Option,” and collectively, the “Company Options”) granted under the Share Incentive Plan that is outstanding immediately prior to the Effective Time will be assumed by Parent as an option to purchase, in the case of a Company Option to purchase Class A Ordinary Shares, Class A ordinary shares of Parent or the other class of shares of Parent having the substantially same voting power as Class A Ordinary Shares, or in the case of a Company Option to purchase Class B Ordinary Shares, Class B ordinary shares of Parent or the other class of shares of Parent having the substantially same voting power as Class B Ordinary Shares. Each of such outstanding Company Options so assumed by Parent pursuant to the Merger Agreement will continue to have, and will be subject to, the same terms and conditions (including vesting conditions) set forth in the Share Incentive Plan under which it was granted and the award agreements in respect thereof, as in effect immediately prior to the Effective Time, except that (a) the number of shares of Parent covered by such assumed Company Option will equal the number of Shares subject to such Company Option multiplied by the Exchange Ratio (as defined below), with the result rounded down to the nearest whole share, and (b) the per share exercise price for the shares of Parent issuable upon exercise of such assumed Company Option will be equal to the quotient obtained by dividing the exercise price per Share at which such assumed Company Option was exercisable immediately prior to the applicable exercise price per Share underlying such Company Option by the Exchange Ratio, rounded up to the nearest whole cent. For the purpose of the Merger Agreement, the “Exchange Ratio” means the ratio of the Per Share Merger Consideration divided by the fair market value of one share of Parent as of the Effective Time.

Except as otherwise agreed to in writing among a holder of a Company Restricted Share, the Company and Parent, each outstanding Share (including Shares represented by ADSs) awarded pursuant to the Share Incentive Plan that is subject to any vesting requirements that remain unsatisfied or vested but remains unsettled (each, a “Company Restricted Share,” and collectively, the “Company Restricted Shares”) granted under the Share Incentive Plan that is outstanding immediately prior to the Effective Time will be assumed by Parent and converted as of the Effective Time, automatically and without action by the holder of such Company Restricted Share, into that number of Class A ordinary shares of Parent or the other class of shares of Parent having substantially the same voting power as Class A Ordinary Shares equal to one multiplied by the Exchange Ratio, rounded down to the nearest whole share, with such converted award continuing to have, and subject to, the same terms and conditions (including vesting conditions) set forth in the Share Incentive

Plan under which such Company Restricted Share was issued and the award agreements in respect thereof, as in effect immediately prior the Effective Time.

Parent may seek, prior to the closing date (“Closing Date”) of the Merger, to agree with an individual holder of a Company Option or Company Restricted Share that all or a portion of such holder’s Company Options or Company Restricted Shares will not be treated as provided in the Merger Agreement, but will instead be treated as otherwise agreed by and among such holder, the Company and Parent; provided, that in no event will such arrangement result in the assumption, substitution or continuation of such Company Option or Company Restricted Share with terms and conditions that provide additional benefits to such individual holder as compared to terms and conditions in effect immediately prior to the Effective Time.

Treatment of Dissenting Shares

All Shares that are issued and outstanding immediately prior to the Effective Time and that are held by shareholders of the Company who will have validly delivered and not effectively withdrawn a Dissent Notice (as defined below), or have not otherwise lost their rights to dissent from the Merger, or dissenter’s rights, in accordance with Section 238 of the Cayman Islands Companies Act (collectively, the “Dissenting Shares,” and holders of the Dissenting Shares collectively, the “Dissenting Shareholders”) will be cancelled at the Effective Time and the Dissenting Shareholders will have no right to receive the Per Share Merger Consideration and will instead upon serving a valid notice of dissent under Section 238(5) of the Cayman Islands Companies Act be entitled to receive only the payment of the fair value of such Dissenting Shares held by them determined in accordance with the provisions of Section 238 of the Cayman Islands Companies Act.

Each shareholder who wishes to exercise its right to dissent from the Merger and seek a fair value appraisal for its Dissenting Shares under Section 238(1) of the Cayman Islands Companies Act (the “Dissenters’ Rights”) must, (i) within 7 days of the date on which the Plan of Merger is given to such shareholder, give to the Company its written objection to the Merger (each, a “Written Objection”), in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act, and (ii) deliver a written notice (each, a “Dissent Notice”) to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act within 20 days immediately following the date on which such shareholder has received from the Company a written notice of the filing of the Plan of Merger with the Registrar of Companies of the Cayman Islands by the Company. The provisions of Sections 238(6) to 238(16) of the Cayman Islands Companies Act will apply to the treatment of each Dissenting Share in relation to which a valid Dissent Notice has been served.

All Shares held by Dissenting Shareholders who have failed to exercise or perfect its Dissenters’ Rights pursuant to Section 238 of the Cayman Islands Companies Act or if any shareholder who has taken any step to exercise its Dissenters’ Rights pursuant to Section 238 of the Cayman Islands Companies Act (e.g., the giving of a written objection pursuant to Section 238(2) of the Cayman Islands Companies Act) subsequently withdraws or loses its Dissenters’ Rights pursuant to the Cayman Islands Companies Act (whether due to its failure to comply with any procedural requirements of Section 238 of the Cayman Islands Companies Act or otherwise) with respect to any Dissenting Shares, such Dissenting Shares will thereupon not be Dissenting Shares and will be cancelled and cease to exist as of the Effective Time, and will be converted at the later of (i) the Effective Time, and (ii) the occurrence of such event, into the right to receive the Per Share Merger Consideration, without any interest thereon.

Representations and Warranties

The Merger Agreement contains representations and warranties made by the Company to Merger Sub and Parent and representations and warranties made by Merger Sub and Parent to the Company as of specific dates. The statements embodied in those representations and warranties were made for purposes of the Merger Agreement and are subject to important qualifications and limitations agreed to by the parties in connection with negotiating the terms of the Merger Agreement. In addition, some of those representations and warranties may be subject to a contractual standard of materiality different from that generally applicable to Unaffiliated Security Holders, and may have been made for the principal purposes of establishing the circumstances in which a party to the Merger Agreement may have the right not to close the Merger if the representations and warranties of the other parties prove to be untrue due to a change in circumstance or otherwise and allocating risks between the parties to the Merger Agreement rather than establishing matters as facts. Moreover, the representations and warranties made by the Company were qualified by reference to

(a) the public disclosure and filings made by each of the Company and Fang Holdings with the SEC since January 1, 2020 and prior to the date of the Merger Agreement, other than in “risk factors” or any language in such filings to the extent they are cautionary, predictive or forward-looking in nature, and (b) any information of which Parent, Merger Sub, Fang Holdings or any of Fang Holdings’ respective affiliates or Representatives (as defined below) has knowledge, or should have knowledge after due inquiry, prior to the date of the Merger Agreement. “Representatives” means, with respect to any person, such person’s directors, officers, other employees, agents, attorneys, accountants, financial and legal advisors, consultants, financing sources and other representatives, and the respective Representatives of the foregoing.

Many of the representations and warranties in the Merger Agreement made by the Company are qualified as to “materiality” or “Company Material Adverse Effect.” For purposes of the Merger Agreement, a “Company Material Adverse Effect” means any effect, event, fact, development, circumstance, condition or change (“Effect”) that, individually or in the aggregate with all other Effects, (a) has had, or would reasonably be expected to have, a material adverse effect on the business, financial condition, assets, liabilities, or results of operations of the Company and its subsidiaries (including any subsidiary formed or acquired after the date of the Merger Agreement) (the “Group Companies”) taken as a whole, or (b) prevents or materially delays or would reasonably be expected to prevent or materially delay the consummation by the Company of the Merger; provided, however, that in no event will any Effects arising out of, relating to or resulting from any of the following, either alone or in combination, constitute, or be taken into account in determining whether there has been or would be, a Company Material Adverse Effect described in clause (a) above: (i) changes in general business, economic or political conditions or changes in financial, credit or securities markets in general; (ii) changes in generally accepted accounting principles in the United States (“GAAP”) or regulatory accounting requirements (or any interpretation or enforcement thereof) after the date of the Merger Agreement; (iii) changes in applicable laws (or any interpretation or enforcement thereof) that are applicable to the Company or any of the other Group Companies; (iv) the public announcement or disclosure of or performance of the Merger Agreement or the transactions contemplated by the Merger Agreement and the Plan of Merger, including the Merger (collectively, the “Transactions”), the pendency or consummation of the Transactions, or the identity of the parties to the Merger Agreement, including the initiation of shareholder litigation or other legal proceeding related to the Merger Agreement or the Transactions, or any impact thereof on relationships, contractual or otherwise, with customers, employees, suppliers, distributors, contractors, lenders, investors, partners or similar parties with whom the Company or any of the other Group Companies has any relationship (in each case, resulting from the consummation of the Transactions, or the public announcement or disclosure of the Merger Agreement or the Transactions, or the identity of the parties to the Merger Agreement); (v) geopolitical conditions, acts of God, natural or man-made disasters, epidemics, pandemic (including COVID-19) or other public health crises, declared or undeclared acts of war, acts of sabotage or terrorism, outbreak or escalation of hostilities or other comparable events or outbreaks; (vi) changes in the market price or trading volume of the Shares (it being understood that the facts or occurrences giving rise to or contributing to such changes in the clause (vi) may be taken into account in determining whether a Company Material Adverse Effect has occurred); (vii) actions or omissions of any of the Group Companies taken that are required by the Merger Agreement or with the written consent or at the written request of Parent, Merger Sub or any of their affiliates or Representatives; (viii) changes, effects or circumstances affecting the industries or markets in which the Group Companies operate; (ix) the failure by the Company to meet any internal or industry estimates, expectations, forecasts, guidance, milestones, projections or budgets or internal or published projections of revenue, earnings, cash flow or cash position for any period (it being understood that the facts or occurrences giving rise to or contributing to such failure may be taken into account in determining whether a Company Material Adverse Effect has occurred); (x) any change or prospective change in the Company’s credit ratings (it being understood that the facts or occurrences giving rise to or contributing to such changes in the clause (x) may be taken into account in determining whether a Company Material Adverse Effect has occurred); or (xi) any breach of the Merger Agreement, the Limited Guarantee (as defined below), the Equity Commitment Letter (as defined below), and the Support Agreement (collectively, the “Transaction Agreements”) by Parent, Merger Sub or any other party thereunder (other than the Company), or any action taken by any Group Companies at the direction or consent of Parent, Merger Sub, the Rollover Shareholders, Fang Holdings, or any of their affiliates or Representatives; provided, that the Effects set forth in clauses (i) and (viii) may be taken into account in determining whether a Company Material Adverse Effect has occurred if only to the extent such Effects, individually or in the aggregate, have a materially disproportionate impact on the Group Companies, taken as a whole, relative to other participants

in the industries in which the Company and any of the Group Companies operate (in which case solely the incremental disproportionate effect may be taken into account in determining whether there has been, or would reasonably be expected to be, a Company Material Adverse Effect).

Conduct of Business Pending the Merger

The Company has agreed that, from the date of the Merger Agreement until the earlier of the closing of the Merger (the “Closing”) and the termination of the Merger Agreement (the “Pre-Closing Period”), except (i) as required by applicable law (including any COVID-19 measures specified in the Merger Agreement), (ii) with the prior written consent of Parent (which consent may not be unreasonably conditioned, withheld or delayed, and for the avoidance of doubt, such consent of Parent may be deemed given if approved by the Sponsor or its affiliates or Representatives, as applicable, in their respective capacity as a director or officer of the Company or otherwise), (iii) as otherwise permitted or contemplated by the Transaction Agreements, (a) the businesses of the Group Companies will be conducted in the ordinary course of business consistent with past practice; and (b) among others, the Company will use its commercially reasonable efforts to preserve substantially intact the Group Companies’ business organization.

During the Pre-Closing Period, except (A) as required by applicable law, (B) with the prior consent of Parent (which consent may not be unreasonably conditioned, withheld or delayed, and for the avoidance of doubt, such consent may be deemed given if approved by the Sponsor or its affiliates or Representatives, as applicable, in their respective capacity as a director or officer of the Company or otherwise), or (C) as otherwise permitted or contemplated by the Transaction Agreements, the Company will not, and will not permit any of its subsidiaries to:

- amend or otherwise change its organizational documents or governing instruments;

- declare, set aside or pay any dividend or other distribution payable in cash, stock or property (or any combination thereof) with respect to its capital stock or other equity interests (except dividends or other distributions paid by any direct or indirect wholly owned subsidiary of the Company to the Company or to any other direct or indirect wholly owned subsidiary of the Company);
- adopt a plan of complete or partial liquidation, dissolution, restructuring, recapitalization, merger (other than the Merger), consolidation or other reorganization (other than reorganizations involving only wholly owned subsidiaries of the Company which would not result in a material increase in the tax liability of any of the Company or its subsidiaries);
- acquire, sell, lease, license or subject to any lien or otherwise dispose of stock or assets or otherwise, any assets, securities or properties, with a value or purchase price in excess of US\$10,000,000 in any single transaction or related series of transactions, subject to certain exceptions;

No Solicitation

Subject to certain exceptions, during the Pre-Closing Period, the Company will not, and will not authorize or permit any of its Representatives, any of the Company's subsidiaries or any of their respective Representatives to, directly or indirectly (i) solicit, initiate or knowingly encourage any Competing Proposal (as defined below) or any inquiries or the making of any proposal or offer that could reasonably be expected to lead to a Competing Proposal; (ii) enter into, continue or otherwise engage in discussions or negotiations with any person or furnish to any person (or any representative thereof) any non-public information with respect to the Company or any of its subsidiaries, or knowingly cooperate with any person (or any representative thereof), in each case, with the intent to induce the making of, a Competing Proposal or any proposal or offer that could reasonably be expected to lead to a Competing Proposal; (iii) approve, endorse, recommend or enter into any written agreement in principle, letter of intent, merger agreement, acquisition agreement or other similar written agreement or any contract relating to any Competing Transaction (as defined below) (other than an acceptable confidentiality agreement entered into in accordance with the Merger Agreement); (iv) grant any waiver, amendment or release under any standstill, confidentiality or similar agreement to which the Company is a party and the Company will promptly take all actions necessary to terminate or cause to be terminated any such waiver previously granted with respect to any provision of any such standstill, confidentiality or similar agreement and to enforce such standstill, confidentiality or similar agreement; or (v) authorize or direct any of the Representatives of the Company or any of its subsidiaries to take any action or resolve to propose, agree or publicly announce an intention to do any of the foregoing.

At any time on or after the date of the Merger Agreement and prior to the Closing, following the receipt of a *bona fide* proposal or offer regarding a Competing Transaction (as defined below) that was not obtained in violation of the Merger Agreement, (i) the Company, the Special Committee and their respective representatives may communicate with the person or group of persons who has made such proposal or offer to clarify and understand the terms and conditions thereof, and notify such persons of the no-solicitation restrictions of the Company under the Merger Agreement; (ii) the Company and its Representatives may furnish nonpublic information in response to the request of the person or group of persons who has made such proposal or offer, if (x) prior to furnishing nonpublic information the Company receives from such person or group of persons an executed acceptable confidentiality agreement, and (y) concurrently with furnishing any such nonpublic information to such person or group of persons, the Company furnishes such nonpublic information to Parent (if not previously furnished by the Company to Parent); and (iii) the

Company, the Special Committee and their respective Representatives may engage or participate in any discussions or negotiations with the person or group of persons who has made such proposal or offer, provided that prior to furnishing any nonpublic information or engaging in any such discussions or negotiations, the Special Committee shall (A) have determined in good faith, after consultation with its outside legal counsel, that such proposal or offer constitutes a Superior Proposal or could reasonably be expected to result in a Superior Proposal; and (B) provide Parent written notice of the receipt by the Company of any Competing Proposal or any inquiry, offer or proposal that could reasonably be expected to lead to a Competing Proposal (including the identity of the person or group of persons making or submitting such Competing Proposal, and details of the material terms and conditions thereof) prior to or concurrently with taking any such action.

The Company will keep Parent promptly and reasonably informed with respect to (i) any inquiry or indication of interest that could lead to a Competing Proposal, (ii) the status of any such Competing Proposal and (iii) the status, any material developments and the terms of any material modification thereto. The Company will not enter into any agreement with any person after the date of the Merger Agreement that prohibits the Company from providing any information or materials to Parent in accordance with the foregoing. The Company has agreed to cease and cause to be terminated any discussions existing as of the date of the Merger Agreement with any person or group of persons that relate to or for the purpose of knowingly encouraging or facilitating any Competing Proposal.

During the Pre-Closing Period, neither the Company nor the Board nor any committee thereof may (i) withhold, withdraw, amend, qualify or modify, in a manner adverse to Parent or Merger Sub, the Company Recommendation, (ii) adopt, approve or recommend any Competing Transaction, (iii) fail to recommend against any Competing Transaction subject to Regulation 14D under the Exchange Act in any solicitation or recommendation statement on Schedule 14D-9 within 10 business days after the commencement of such Competing Transaction, or (iv) resolve or agree to take any of the foregoing actions (any of the actions or events described in clauses “(i)” through “(iv)”, being referred to as a “Change in Company Recommendation”).

Prior to the Closing, if in response to the receipt by the Company of a Competing Proposal, the Board or the Special Committee determines in good faith, upon the direction of the Special Committee following consultation with its financial advisor and outside legal counsel, that such offer or proposal constitutes a Superior Proposal and that the failure to take such action could reasonably be expected to be inconsistent with its fiduciary duties under applicable laws, the Board or the Special Committee, as the case may be, may make a Change in Company Recommendation in respect of such Superior Proposal, and cause the Company to terminate the Merger Agreement; however, they may only do so if:

- the Board or the Special Committee has first notified Parent in writing of its intent to take such action, which notice shall contain the identity of the person making the Superior Proposal, specify the material terms of the Superior Proposal, contain a copy of the material documents and/or agreements providing for the Superior Proposal and indicate that the Board or the Special Committee intends to effect a Change in Company Recommendation and terminate the Merger Agreement;
- if requested by Parent in writing, the Company will, and will cause its Representatives to, for a period of at least five business days following receipt by Parent of such notice and prior to making any such Change in Company Recommendation and terminating the Merger Agreement, negotiate with Parent and any Representative of Parent in good faith (to the extent Parent desires to negotiate) to permit Parent to propose amendments to the terms and conditions of the Merger Agreement and the Transactions;
- following such five-business-day period, and taking into account any proposed amendments from Parent received during such period, the Board or the Special Committee should have considered in good faith such proposed amendments, if any, and should, prior to making any such Change in Company Recommendation and terminating the Merger Agreement, have determined, in respect of such Superior Proposal, that the Superior Proposal would continue to constitute a Superior Proposal if the revisions proposed in such proposed amendments from Parent, if any, were to be given effect;
- such Superior Proposal did not result from a material breach of the Company’s non-solicitation restrictions under the Merger Agreement; and

- in the event that the Board or the Special Committee causes the Company to so terminate the Merger Agreement, the Board or the Special Committee shall cause the Company to pay to Parent the applicable termination fee payable in connection therewith under the Merger Agreement.

Each successive material modification to the financial terms of any such Competing Proposal shall be deemed to constitute a new Competing Proposal for purposes of the requirements above, except that, in such cases, the five-business-day period described above shall instead become a minimum period of at least three business days.

For purposes of the Merger Agreement, a “Competing Proposal” means any bona fide written offer, proposal, inquiry, or indication of interest (other than an offer, proposal, inquiry, or indication of interest by Parent) constituting or may reasonably be expected to lead to any Competing Transaction.

For purposes of the Merger Agreement, a “Competing Transaction” means, other than the Transactions, any transaction or series of transactions for or relating to (i) any merger, reorganization, consolidation, share exchange, business combination, scheme of arrangement, amalgamation, recapitalization, extra-ordinary dividend, share repurchase, liquidation, dissolution or other similar transaction involving the Company or any of its subsidiaries whose assets, individually or in the aggregate, constitute 20% or more of the consolidated assets of the Company or to which 20% or more of the total revenue, operating income or EBITDA of the Company are attributable; (ii) any sale, lease, exchange, transfer or other disposition of assets or businesses of the Group Companies that constitute or represent 20% or more of the total revenue, operating income, EBITDA or assets of the Group Companies, taken as a whole; (iii) any sale, exchange, transfer or other disposition of 20% or more of any class of equity securities of the Company; (iv) any general offer, tender offer or exchange offer that, if consummated, would result in any person beneficially owning 20% or more of any class of equity securities of the Company; or (v) any combination of the foregoing. For purposes of this definition, revenue, operating income and EBITDA of the Company shall be determined on a consolidated basis for the prior 12-month period preceding the date of determination and shall be determined in accordance with GAAP (or, in the case of EBITDA, in a manner consistent with the Company’s past accounting practices and, with respect to the components of EBITDA that are customarily GAAP items, in any case in accordance with GAAP).

For purposes of the Merger Agreement, a “Superior Proposal” means a written, bona fide offer or proposal with respect to a Competing Transaction (provided, that for purposes of the definition of “Superior Proposal,” each reference to “20%” in the definition of “Competing Transaction” shall be replaced with “50%”) made by a third party that the Board determines, in good faith judgment acting at the direction of the Special Committee after (i) consultation with its financial advisor and outside legal counsel, (ii) taking into account all terms and conditions of such proposal, including the likelihood and timing of consummation thereof, and (iii) taking into account any changes to the Merger Agreement proposed by Parent in connection with the exercise of its rights in response to such Superior Proposal, to be more favorable to the shareholders of the Company (other than the holders of the Excluded Shares) than the Merger, provided, however, that any such offer shall not be deemed to be a “Superior Proposal” if (i) any financing required to consummate the transaction contemplated by such offer is not fully committed to such third party, or (ii) the consummation of the transaction contemplated by such offer or proposal is conditional upon the obtaining and/or funding of such financing.

Directors’ and Officers’ Indemnification and Insurance

From and after the Effective Time for a period of six years, the Surviving Company will, and Parent will cause the Surviving Company to, indemnify and hold harmless, and provide advancement of expenses to, the present and former officers and directors of the Group Companies and any person who becomes a director or officer thereof prior to the Effective Time against any and all cost or expenses (including reasonable attorneys’ fees and expenses), and other amounts paid in settlement in connection with any actual or threatened legal proceeding to the fullest extent permitted by applicable law or provided under the memorandum and articles of association, any indemnification agreements and any other governing documents of the Group Companies in effect on the date of the Merger Agreement.

The Surviving Company will honor and fulfill all obligations of the Company under (i) any indemnification, advancement of expenses and exculpation provision set forth in any memorandum and

articles of association or comparable organizational documents of the Company or any of its Subsidiaries as in effect on the date of the Merger Agreement and (ii) all indemnification agreements between the Company and any of its respective current or former directors and officers and any person who becomes a director or officer of the Company prior to the Effective Time.

From and after the Effective Time for a period of six years, the Surviving Company will maintain in effect all provisions in the Surviving Company's memorandum and articles of association and in the governing documents of the Company's subsidiaries regarding (i) elimination of liability of directors, (ii) indemnification of officers, directors and employees and (iii) advancement of expenses, in each case, that are no less advantageous to the intended beneficiaries than the corresponding provisions in existence on the date of the Merger Agreement.

Certain Additional Covenants

The Merger Agreement also contains covenants of the Company, on the one hand, and Merger Sub and Parent, on the other hand, relating to, among other matters:

- the filing of this Transaction Statement with the SEC and cooperation in response to any comments from the SEC with respect to this Transaction Statement;
- reasonable access by Parent and its authorized Representatives to the Company's contracts, books, records, management, offices and other facilities and properties;
- consultation with respect to press releases relating to the Merger Agreement and the Transactions;
- use of reasonable best efforts to consummate the transactions contemplated by the Support Agreement immediately prior to the Closing;
- reasonable best efforts of the parties to promptly take, or to cause to be taken, all actions, and to do, or to cause to be done all things necessary, proper or advisable to consummate and make effective the Transactions;
- dealing with takeover statutes;
- delisting of ADSs from NASDAQ and the termination of the registration of the Shares and ADSs under the Exchange Act;
- Parent's obligation to cause Merger Sub to perform Merger Sub's obligations under the Merger Agreement;
- participation in litigation relating to the Merger Agreement and the Transactions;
- resignation of the directors of the Group Companies designated by Parent;
- equity financing under the Equity Commitment Letter;
- no amendments to the Transaction Agreements;
- actions taken at direction or acquiescence of Parent or Merger Sub; and
- covenant regarding certain ESOP information.

Conditions to the Merger

The obligations of each party to consummate the Merger are subject to the satisfaction by the Company, Parent and Merger Sub of the following conditions:

- not less than 20 days (or such later date as may be required to comply with Rule 13e-3 under the Exchange Act and all other applicable laws) having elapsed following the date when this Transaction Statement is first mailed to the Company's shareholders; and
- no law, statute, rule or regulation having been enacted or promulgated by any governmental entity of competent jurisdiction (in a jurisdiction material to the business of the Company or Parent) which prohibits, makes illegal the consummation of Transactions or in effect prevents the consummation of the Transactions in any material respect.

The obligations of Parent and Merger Sub to effect the Merger are also subject to the satisfaction or waiver by Parent and Merger Sub of the following conditions:

- (i) the representations and warranties of the Company relating to corporate organization, capitalization, authorization relative to the Merger Agreement, absence of certain changes, and brokers or finders being true and correct in all respects (except, for *de minimis* inaccuracies) as of the date of the Merger Agreement and as of the Closing Date, as though made on and as of such date and time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), and (ii) the other representations and warranties of the Company in the merger agreement (disregarding any limitation or qualification of “materiality” or “Company Material Adverse Effect”) being true and correct in all respects as of the date of the Merger Agreement and as of the Closing Date, as though made on and as of such date and time (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except to the extent such failures to be true and correct, individually or in the aggregate, has not had and would not reasonably be expected to have a Company Material Adverse Effect;
- the Company having performed or complied in all material respects with all covenants, agreements or obligations required to be performed or complied with by it under the Merger Agreement at or prior to the Closing;
- no Company Material Adverse Effect having occurred and continuing following the date of the Merger Agreement; and
- the Company having delivered to Parent a certificate, dated as of the Closing Date, signed by an officer of the Company, certifying to the satisfaction of the conditions above.

The obligations of Company to effect the Merger are also subject to the satisfaction or waiver by Company of the following conditions:

- the representations and warranties of each of Parent and Merger Sub in the Merger Agreement being true and correct as of the Closing Date as though made on the Closing Date (other than those representations and warranties that address matters only as of a particular date or only with respect to a specific period of time which representations and warranties need only be true and correct as of such date or with respect to such period), except where the failure of such representations and warranties of Parent or Merger Sub to be so true and correct (without giving effect to any limitation as to “materiality” or Parent Material Adverse Effect (as defined below)), would not individually or in the aggregate, have a Parent Material Adverse Effect;
- Parent and Merger Sub having performed or complied with all covenants, in each case in all material respects, required by the Merger Agreement to be performed or complied with by it at or prior to the Closing; and
- Parent and Merger Sub having delivered to the Company a certificate, dated as of the Closing Date, signed by a director of each of Parent and Merger Sub, as the case maybe, certifying as to the satisfaction of the conditions above.

For purposes of the Merger Agreement, “Parent Material Adverse Effect” means any effect, event, fact, development, circumstance, condition or change that prevents or materially impedes, interferes with, hinders or delays or would reasonably be expected to prevent or materially impede, interfere with, hinder or delay (i) the consummation by Parent and Merger Sub of the Merger or any of the other Transactions or (ii) the compliance by each of Parent and Merger Sub of each of their respective obligations under the Merger Agreement in any material respect.

Termination of the Merger Agreement

The Company (acting at the direction of the Special Committee) and Parent may terminate the Merger Agreement by mutual written agreement at any time prior to the Effective Time.

Either the Company (acting at the direction of the Special Committee) or Parent may terminate the Merger Agreement at any time prior to the Effective Time if:

- any governmental entity having competent jurisdiction shall have, enacted, issued, promulgated, enforced or entered any law or order which is then in effect or taken any other action, in each case, permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger, and such order or other action shall have become final and non-appealable, except that this termination right is not available to a party whose breach of, or failure to fulfill, any of its obligations under the Merger Agreement has been the cause of, or resulted in, the enactment, issuance, promulgation, enforcement or entry of any such order or other action; or
- the Merger has not been consummated by the date falling nine months from the date of the Merger Agreement (referred to as the “Termination Date”), except that this termination right is not available to any party whose breach of, or failure to fulfill, any of its obligations under the Merger Agreement has been the cause of, or resulted in, the failure to consummate the Merger by the Termination Date or the applicable condition(s) being satisfied.

The Company (acting at the direction of the Special Committee) may terminate the Merger Agreement at any time prior to the Effective Time if:

- a breach or failure of any representation, warranty or covenant of Parent or Merger Sub set forth in the Merger Agreement, shall have occurred, which breach or failure has given rise to the failure of a condition to the Company’s obligations to complete the Merger, and such breach or failure would not be capable of being cured prior to the Termination Date, or if capable of being cured, shall not have been cured within 30 business days following receipt of written notice from the Company (or such shorter period of time that remains between the date the Company provides written notice and the Termination Date), except that the Company shall not have this termination right if the Company is then in material breach of the Merger Agreement under circumstances that would cause Parent’s or Merger Sub’s closing conditions not to be satisfied (a “Parent Breach Termination Event”);
- the Board or the Special Committee shall have determined to make a Change in Company Recommendation in respect of a Superior Proposal and terminate the Merger Agreement and, substantially concurrently with or immediately after the termination, provided, that substantially concurrently with or immediately after the termination of the Merger Agreement by the Company, the Company enters into definitive binding transaction documents with respect to the relevant Superior Proposal and the Company pays to Parent the Company Termination Fee (as defined below) in immediately available funds; provided, further, that the Company will not be entitled to terminate the Merger Agreement unless the Company has complied with the requirements of the Merger Agreement with respect to such Superior Proposal in all material respects (a “Superior Proposal Termination Event”); or
- all conditions to Parent’s and Merger Sub’s obligations to complete the Merger (except those to be satisfied at the Closing) have been satisfied or waived, the Company has irrevocably confirmed in writing to Parent that the closing conditions specific to the Company have been satisfied (except those to be satisfied at the Closing) or the Company is willing to waive them and is prepared to close, and Parent and Merger Sub fail to consummate the closing within 10 business days following the date the closing should have occurred under the Merger Agreement (a “Parent Failure to Close Termination Event”).

Parent may terminate the Merger Agreement at any time prior to the Effective Time if:

- a breach or failure of any representation, warranty or covenant of the Company set forth in the Merger Agreement has occurred, which breach or failure has given rise to or would reasonably be expected to give rise to the failure of a condition to Parent’s or Merger Sub’s obligations to complete the Merger, and such breach or failure is not capable of being cured prior to the Termination Date, or if capable of being cured, is not cured within 30 business days following written notice from Parent (or such shorter period of time that remains between the date Parent provides written notice and the Termination Date), except that Parent shall not have this termination right if Parent is in material breach of the merger agreement under circumstances that would cause the Company’s closing conditions not to be satisfied; or
- the Board or the Special Committee has effected a Change in Company Recommendation (together with the events under the bulleting point immediately above, collectively, the “Parent Termination Events”).

Termination Fees

The Company is required to pay (or cause to be paid) to Parent or one or more of its designees a termination fee of US\$1,000,000 (the “Company Termination Fee”) if the Merger Agreement is terminated:

- by Parent pursuant to any Parent Termination Event;
- by Company pursuant to a Superior Proposal Termination Event; or
- by the Company or Parent as a result of failure to consummate the Merger by the Termination Date, if, at the time of such termination, a Competing Proposal has been made known to the Company, or shall have been publicly announced or publicly made known, and not publicly and unconditionally withdrawn prior to the termination of the Merger Agreement, and within 12 months after such termination the Company or any of its subsidiaries enters into a definitive agreement in connection with the same Competing Proposal that was later consummated or consummates a Competing Transaction. For purposes of the termination fees payable by the Company, all references to “20%” in the definition of “Competing Transaction” shall be deemed to be references to 50%.

Parent is required to pay the Company a termination fee of US\$2,000,000 (the “Parent Termination Fee”), if the Merger Agreement is terminated by the Company pursuant to a Parent Breach Termination Event or a Parent Failure to Close Termination Event.

All expenses incurred in connection with the Merger Agreement and the Transactions will be paid by the party incurring such expenses, except that, (i) if the Company fails to pay the Company Termination Fee, or Parent fails to pay the Parent Termination Fee, when due and in accordance with the requirements of the Merger Agreement, the Company or Parent, as the case may be, will reimburse the other party for reasonable costs and expenses actually incurred or accrued by the other party (including fees and expenses of counsel) in connection with the related collection and enforcement, together with interest on such unpaid Company Termination Fee or Parent Termination Fee.

Amendment

The Merger Agreement may be amended, modified and supplemented, by written agreement of the Company, Merger Sub and Parent by action taken by or on behalf of their respective boards of directors (or individuals holding similar positions) with the Company acting solely through the Special Committee.

Remedies and Limitations on Liability

In the event of any breach by the Company, on the one hand, or Parent or Merger Sub, on the other hand, of any of their respective obligations set forth in the Merger Agreement, the Company, on the one hand, or Parent or Merger Sub, on the other hand, subject to the relevant provisions under the merger agreement, will be entitled to specific performance of the terms of the Merger Agreement, including an injunction or injunctions to prevent breaches of the Merger Agreement by any party. Once the Company or Parent (as applicable) has paid, as a remedy, its applicable termination fee, plus reimbursement of collection costs and interest thereon if not paid when due (if applicable), the other party shall no longer be entitled to any other remedies (specific performance or otherwise).

Other than rights of specific performance that Parent may be entitled to, in the event that the Company fails to effect the Closing or otherwise breaches the Merger Agreement or fails to perform thereunder, in each case other than as a result of fraud or willful breach of the Company, then Parent’s right to terminate the Merger Agreement and receive the Company Termination Fee and certain reimbursement and interest in connection with collection of the Company Termination Fee will be the sole and exclusive remedy of Parent and Merger Sub for any loss or damage suffered as a result of any such breach or failure to perform or other failure of the Merger to be consummated.

Other than rights of specific performance that the Company may be entitled to, in the event that Parent or Merger Sub fails to effect the Closing or otherwise breaches the Merger Agreement or fails to perform thereunder, in each case other than as a result of fraud or willful breach of Parent or Merger Sub, then the Company’s right to terminate the Merger Agreement and receive the Parent Termination Fee and certain reimbursement and interest in connection with collection of the Parent Termination Fee will be the sole and

exclusive remedies of the Company and any of its subsidiaries for any loss or damage suffered as a result of any such breach or failure to perform or other failure of the Merger to be consummated.

Equity Commitment Letter

Pursuant to the equity commitment letter entered into by Parent and Sponsor dated December 22, 2022 (the “Equity Commitment Letter”), attached hereto as Exhibit (d)(4), Fang Holdings has committed, on the terms and subject to the conditions set forth therein and in the Merger Agreement, to purchase prior to or at the Closing, equity interests of Parent for an amount of US\$14,831,699 in immediately available funds, which will be used to fund the aggregate Merger Consideration and all other amounts payable by Parent and Merger Sub at the Closing to consummate the Merger pursuant to and in accordance with the Merger Agreement, in addition to other transaction costs and payment obligations of Parent and Merger Sub in connection with the transactions contemplated in the Merger Agreement, including the Merger. Fang Holdings’ commitment and obligation to make the above contribution under the Equity Commitment Letter is conditioned upon (i) the satisfaction or waiver by Parent of the conditions to Parent’s and Merger Sub’s obligations to consummate the Merger under the Merger Agreement (other than any conditions that by their nature are to be satisfied at the closing of the Merger but subject to the prior or substantially concurrent satisfaction of such conditions), (ii) the substantially simultaneous consummation of the Merger and (iii) the substantially simultaneous consummation of the rollover contribution of the Rollover Shares pursuant to the Support Agreement.

The obligation of Fang Holdings to fund its equity commitment under the Equity Commitment Letter will terminate automatically upon the earlier to occur of (i) consummation of the Merger and the payment by Parent and Merger Sub of all amounts required to be made by them under the Merger Agreement, or (ii) the valid termination of the Merger Agreement in accordance with its terms, except that if any claim or proceeding has been commenced by the Company to seek specific performance of the obligations of Parent and Merger Sub to effect the consummation of the Merger pursuant to the Merger Agreement, then Fang Holdings’ obligation to fund shall survive until the earlier of (i) a final, non-appealable judgment from a court of competent jurisdiction in respect of such claim or proceeding, and (ii) the consummation of the Merger and the payment by Parent and Merger Sub of all amounts required to be made by them under the Merger Agreement.

The Company is an express third-party beneficiary of the Equity Commitment Letter, pursuant to the terms and subject to the conditions in the Merger Agreement, to cause Fang Holdings to perform its funding obligations under the Equity Commitment Letter.

Limited Guarantee

Concurrently with the execution of the Merger Agreement, Fang Holdings entered into the Limited Guarantee, dated December 22, 2022, attached hereto as Exhibit (d)(3), under which Fang Holdings has guaranteed in favor of the Company 100% of Parent’s obligation to pay (i) the termination fee payable by Parent, if and when required under the Merger Agreement, and (ii) the reimbursement obligations of Parent pursuant to the terms of the Merger Agreement, provided that in no event shall Fang Holdings’ aggregate liability exceed US\$2,200,000. The Limited Guarantee will terminate on the earliest of (i) the Effective Time, (ii) the valid termination of the Merger Agreement in accordance with its terms under circumstances in which none of the guaranteed obligations are payable, (iii) all of the guaranteed obligations payable under the Limited Guarantee having been paid in full by Fang Holdings, and (iv) 120 days after any termination of the Merger Agreement in accordance with its terms under circumstances in which Parent and Merger Sub would be obligated to pay the termination fee if the Company has not presented a written claim for payment of any guaranteed obligation Fang Holdings by such day, provided that if the Company has presented such claim to Fang Holdings by such date, the Limited Guarantee shall terminate upon the earlier of (i) the date on which such claim is finally resolved and payment in full of any amounts required to be paid in respect of such final resolution, and (ii) a written agreement terminating the Limited Guarantee (and payment in full of any amounts required to be paid in respect of such resolutions).

Support Agreement

Pursuant to that certain equity contribution agreement (the “Support Agreement”), dated December 22, 2022, attached hereto as Exhibit (d)(2), the Rollover Shareholders have agreed, subject to the terms and

conditions of the Support Agreement, to contribute the Rollover Shares to Merger Sub in exchange for newly issued shares of Parent and receive no consideration for the cancellation of the Rollover Shares in accordance with the Merger Agreement.

The Company is an express third-party beneficiary of certain provisions of the Support Agreement, and is entitled to specific performance of certain terms thereof (in addition to any other available remedy at law or in equity). The consummation of the contribution and transfer by the Rollover Shareholders of the Rollover Shares is subject to the satisfaction in full (or waiver) of each of the conditions to the Company's, Parent's and Merger Sub's obligations to consummate the Merger (other than those to be satisfied at the closing of the Merger). Subject to the foregoing, the closing of the contribution will take place prior to the Closing. The Support Agreement will terminate upon the first to occur of (a) the Effective Time; (b) valid termination of the Merger Agreement in accordance with its terms; and (c) the written agreement of such Rollover Shareholder, on one hand, and Parent and Merger Sub, on the other hand, subject to certain exceptions set forth in the Support Agreement.

Interim Investors Agreement

Concurrently with the execution and delivery of the Merger Agreement, the Rollover Shareholders, Parent and Merger Sub entered into the Interim Investors Agreement (the "Interim Investors Agreement"), dated December 22, 2022, which governs the relationship among the parties thereto with respect to the Merger Agreement and matters relating thereto until the termination of the Merger Agreement or consummation of the Merger.

The Interim Investors Agreement provides for, among other things, subject to certain limitations or exceptions therein, (i) the mechanism for making decisions relating to the Merger Agreement and ancillary agreements pending consummation of the Merger, and (ii) the arrangement for the sharing of certain fees and expenses among the Buyer Group.

No Shareholder Vote Required to Authorize the Plan of Merger and the Merger

Merger Sub will hold at least 90% of the total voting power in the Company prior to the Effective Time pursuant to the Support Agreement and accordingly the Merger will be a "short-form" merger between a parent company and one of its subsidiary companies (as those terms are defined in the Cayman Islands Companies Act) in accordance with Part XVI and in particular Section 233(7) of the Cayman Islands Companies Act. A "short-form" merger does not require the vote or approval of shareholders of either the Company or Merger Sub if a copy of the Plan of Merger is given to every registered shareholder of the Company unless such shareholder agrees otherwise. Therefore, the shareholders of the Company will not have the opportunity to vote on the Merger.

Dissenters' or Appraisal Rights

As the Merger will constitute a "short-form" merger pursuant to section 233(7) of the Cayman Islands Companies Act, no shareholder vote on the Merger will take place.

On January 28, 2021, the Financial Services Division of the Grand Court of the Cayman Islands (the "Court") delivered a judgment at first instance (*In the matter of Changyou.com Limited (28 January 2021, FSD 120 of 2020 (ASCJ))*) in which the Court determined that Dissenters' Rights are available in a short-form merger notwithstanding the lack of statutory procedure by which such rights might be exercised (the "ASCJ Judgment"). The ASCJ Judgment was confirmed by the Court of Appeal of the Cayman Islands on 16 September 2022 (*In the matter of Changyou.com Limited (16 September 2022, CICA (Civil) Appeal No 6 of 2021 (FSD 120 of 2020 (ASCJ))*) (together with the ASCJ Judgment, the "Judgment"), whereby the Court of Appeal of the Cayman Islands further determined that Section 238 of the Companies Act must be read as to allow Dissenters' Rights in a "short-form" merger.

According to the Judgment, in order to give effect to the right for any Dissenting Shareholder to exercise its Dissenters' Rights and to seek a fair value appraisal for its Dissenting Shares under Section 238(1) of the Cayman Islands Companies Act:

- (a) the Company shall cause a form of final version of the Plan of Merger to be delivered to each registered shareholder of the Company in accordance with Section 233(7) of the Cayman Islands Companies Act;
- (b) a shareholder who wishes to exercise its Dissenters' Right must, immediately after the date on which the Plan of Merger is given to the shareholder, give to the Company its Written Objection, in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act;
- (c) within twenty (20) days immediately following the date on which the Plan of Merger is filed with the Registrar of Companies of the Cayman Islands, the Company shall give a Notification of Filing to each shareholder who has made a Written Objection pursuant to sub-paragraph (b) above;
- (d) each such shareholder who elects to dissent may do so by delivering a Dissent Notice to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act, within twenty (20) days immediately following the date on which the Notification of Filing is given;
- (e) the provisions of Sections 238(6) to 238(16) of the Cayman Islands Companies Act shall apply to the treatment of each Dissenting Share in relation to which a valid Dissent Notice has been served.

In line with the procedure set forth in the Judgment, shareholders who elect to exercise Dissenters' Rights will have the right to receive payment of the fair value of their Shares in accordance with Section 238 of the Cayman Islands Companies Act if the Merger is consummated, but only if they (i) give to the Company, within seven (7) days of the date on which the Plan of Merger is given to such shareholder, a Written Objection in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act, and (ii) deliver a Dissent Notice to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act within 20 days immediately following the date on which such shareholder has received from the Company a written notice of the filing of the Plan of Merger with the Registrar of Companies of the Cayman Islands by the Company. The fair value of your Shares as determined in accordance with the provisions of Section 238 of the Cayman Islands Companies Act could be more than, the same as, or less than the Merger Consideration you would receive pursuant to the Merger Agreement and Plan of Merger if you do not exercise Dissenters' Rights with respect to your Shares.

ADS HOLDERS WILL NOT HAVE THE RIGHT TO DISSENT FROM THE MERGER AND RECEIVE PAYMENT OF THE FAIR VALUE OF THE CLASS A ORDINARY SHARES UNDERLYING THEIR ADSS. THE ADS DEPOSITARY WILL NOT EXERCISE OR ATTEMPT TO EXERCISE ANY DISSENTERS' RIGHTS WITH RESPECT TO ANY OF THE CLASS A ORDINARY SHARES THAT IT HOLDS, EVEN IF AN ADS HOLDER REQUESTS THE ADS DEPOSITARY TO DO SO. ADS HOLDERS WISHING TO EXERCISE DISSENTERS' RIGHTS MUST SURRENDER THEIR ADSS TO THE ADS DEPOSITARY, PAY THE ADS DEPOSITARY'S FEES REQUIRED FOR THE CANCELATION OF THE ADSS, AND PROVIDE INSTRUCTIONS FOR THE REGISTRATION OF THE CORRESPONDING CLASS A ORDINARY SHARES AND BECOME REGISTERED HOLDERS OF SUCH CLASS A ORDINARY SHARES WITHIN TWENTY DAYS AFTER DELIVERY OF THE PLAN OF MERGER TO THE ADS DEPOSITARY (AS THE REGISTERED HOLDER OF EACH CLASS A ORDINARY SHARE THAT IS REPRESENTED BY ADSS). THEREAFTER, SUCH FORMER ADS HOLDERS MUST COMPLY WITH THE PROCEDURES AND REQUIREMENTS FOR EXERCISING DISSENTERS' RIGHTS WITH RESPECT TO THE CLASS A ORDINARY SHARES AS SET OUT IN THE MERGER AGREEMENT AND PLAN OF MERGER AND OTHERWISE UNDER SECTION 238 OF THE CAYMAN ISLANDS COMPANIES ACT. IF THE MERGER IS NOT CONSUMMATED, THE COMPANY WILL CONTINUE TO BE A PUBLIC COMPANY IN THE UNITED STATES AND ADSS WILL CONTINUE TO BE LISTED ON THE NASDAQ. THE SHARES ARE NOT LISTED AND CANNOT BE TRADED ON ANY STOCK EXCHANGE OTHER THAN THE NASDAQ, AND IN SUCH CASE ONLY IN THE FORM OF ADSS. AS A RESULT, IF A FORMER ADS HOLDER HAS CONVERTED HIS, HER OR ITS ADSS TO SHARES IN ORDER TO EXERCISE DISSENTERS' RIGHTS AND THE MERGER IS NOT CONSUMMATED AND SUCH FORMER ADS HOLDER WISHES TO BE ABLE TO SELL HIS, HER OR ITS SHARES ON A STOCK EXCHANGE, SUCH FORMER ADS HOLDER WILL NEED TO DEPOSIT HIS, HER OR ITS SHARES INTO THE COMPANY'S ADS PROGRAM FOR THE ISSUANCE OF THE CORRESPONDING NUMBER OF

ADSS, SUBJECT TO THE TERMS AND CONDITIONS OF APPLICABLE LAW AND THE DEPOSIT AGREEMENT, INCLUDING, AMONG OTHER THINGS, PAYMENT OF RELEVANT FEES OF THE ADS DEPOSITARY FOR THE ISSUANCE OF ADSS, APPLICABLE SHARE TRANSFER TAXES (IF ANY), AND RELATED CHARGES PURSUANT TO THE DEPOSIT AGREEMENT. FOR THE AVOIDANCE OF DOUBT, THE COMPANY WILL IN ALL CASES CONSIDER THE DATE ON WHICH THE PLAN OF MERGER IS DELIVERED TO THE ADS DEPOSITARY (AS THE REGISTERED HOLDER OF EACH CLASS A ORDINARY SHARE THAT IS REPRESENTED BY ADSS) TO BE THE FIRST DAY OF THE DISSENT PERIOD WITH REGARD TO ALL CLASS A ORDINARY SHARES REPRESENTED BY ADSS. ACCORDINGLY, TO THE EXTENT THAT ANY ADS HOLDER ELECTS TO SURRENDER ITS ADSS TO THE ADS DEPOSITARY SUBSEQUENT TO SUCH PLAN OF MERGER DELIVERY DATE, THE FIRST DAY OF THE DISSENT PERIOD WITH RESPECT TO SUCH CLASS A ORDINARY SHARES SHALL REMAIN THE DATE ON WHICH THE PLAN OF MERGER WAS DELIVERED TO THE ADS DEPOSITARY (AND, FOR SUCH PURPOSES, THE ACTUAL DATE ON WHICH SUCH ADS HOLDER BECOMES THE REGISTERED HOLDER OF THE RELEVANT CLASS A ORDINARY SHARES SHALL BE DISREGARDED).

A copy of Section 238 of the Cayman Islands Companies Act is attached to this Transaction Statement as Exhibit (f)(2) for the information of Unaffiliated Security Holders. Unaffiliated Security Holders are urged to seek their own advice on Part XVI of the Cayman Islands Companies Act from a licensed Cayman Islands law firm.

Purposes and Effects of the Merger

The purpose of the Merger is to enable Parent to acquire direct ownership of all of the outstanding equity capital in the Company which Parent does not beneficially own following completion of the transactions contemplated under the Support Agreement, and to cause the holders of Shares (other than the Excluded Shares and the Dissenting Shares) and ADSs (other than ADSs representing the Excluded Shares) to be cashed out and obtain immediate liquidity. Parent will enjoy any future earnings and growth of the Company and bear the burden of any future losses of the Company. See “Special Factors — Reasons for the Merger and Position of the Special Committee and the Board,” “Special Factors — Buyer Group’s Purposes and Reasons for the Merger,” and “Item 6 — Purposes of the Transaction and Plans or Proposals” for additional information.

ADSs are currently listed on the Nasdaq Capital Market (“NASDAQ”) under the symbol “CIH.” Following the Effective Time, the Company will cease to be a publicly traded company and will instead be directly wholly owned by Parent. Following the completion of the Merger, the ADS program will terminate and ADSs will be de-listed from NASDAQ. In addition, registration of ADSs and the underlying Shares under the Exchange Act will be terminated 90 days after the filing of Form 15 by the Company in connection with the completion of the Merger or such shorter period as may be determined by the SEC. Accordingly, the Company will no longer be required to file periodic reports with the SEC. See “Special Factors — Effects of the Merger on the Company” for additional information.

Plans for the Company After the Merger

Following the completion of the Merger, Parent will own 100% of the equity interests in the Surviving Company. The Buyer Group anticipates that the Surviving Company will continue to conduct its operations substantially as they are currently being conducted, except that it will cease to be a publicly traded company and will instead be beneficially owned by the Sponsor and the Rollover Shareholders, through Parent.

Following the completion of the Merger and the anticipated deregistration of the Shares and ADSs, the Surviving Company will no longer be subject to the Exchange Act or the compliance and reporting requirements of NASDAQ, the related direct and indirect costs and expenses and may experience positive effects on profitability as a result of elimination of such costs and expenses.

Recommendation of the Special Committee to the Board

The Special Committee, after evaluating the proposed terms of the Merger and the related transactions with the assistance of independent financial and legal advisors, unanimously determined that the Merger

Agreement and the Plan of Merger are fair to and in the best interests of the Company and Unaffiliated Security Holders, and unanimously determined that it is advisable for the Company to enter into the Merger Agreement and the Plan of Merger and consummate the transactions contemplated thereby and recommended that the Board authorize and approve the Merger Agreement and the Plan of Merger, the execution and delivery of which will be conclusive evidence of such approval, and the consummation of the transactions contemplated thereby, including the Merger. The Board (other than Mr. Robert Ciemniak who abstained from voting), acting on the unanimous recommendation of the Special Committee, determined that Merger Agreement and the Plan of Merger are fair to and in the best interests of the Company and Unaffiliated Security Holders and authorized and directed the execution, delivery, and performance of the Merger Agreement and the Plan of Merger and the consummation of the transactions contemplated thereby, including the Merger.

For a detailed discussion of the material factors considered (a) by the Special Committee in determining that the Merger Agreement and the Plan of Merger are fair to and in the best interests of the Company and Unaffiliated Security Holders and in recommending that the Board authorize and approve the Merger Agreement, the Plan of Merger, and the consummation of the transactions contemplated thereby, including the Merger and (b) by the Board (other than Mr. Robert Ciemniak who abstained from voting) in determining on behalf of the Company that the Merger Agreement and the Plan of Merger are fair to and in the best interests of the Company and Unaffiliated Security Holders and in authorizing and directing the execution, delivery, and performance of the Merger Agreement and the Plan of Merger and the consummation of the transactions contemplated thereby, including the Merger, please see “Special Factors — Reasons for the Merger and Position of the Special Committee and the Board” and “Special Factors — Primary Benefits and Detriments of the Merger.”

Position of the Buyer Group as to Fairness

Each member of the Buyer Group believes that the Merger is substantively and procedurally fair to Unaffiliated Security Holders. The belief is based upon the factors discussed under the caption “Special Factors — Position of the Buyer Group as to the Fairness of the Merger.” Members of the Buyer Group are making this statement solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

Financing of the Merger

The Company and the Buyer Group estimate that the total amount of funds necessary to complete the transactions contemplated by the Merger Agreement, including (i) the cash payment of the Merger Consideration to the holders of the Shares (other than the Excluded Shares and Dissenting Shares) and holders of the ADSs (other than ADSs representing the Excluded Shares), and (ii) payment of fees and expenses in connection with the Merger, is anticipated to be approximately US\$16.0 million, assuming no exercise of Dissenters’ Rights by shareholders of the Company. In calculating this amount, the Company and the Buyer Group did not consider the value of the Excluded Shares, which will be cancelled for no consideration pursuant to the Merger Agreement. The Buyer Group expects to provide the cash payment of the Merger Consideration of approximately US\$14.8 million as contemplated by the Equity Commitment Letter.

Opinion of the Special Committee’s Financial Advisor

The Special Committee retained Roth Capital to act as its financial advisor in connection with the Merger. On December 22, 2022, Roth Capital orally rendered to the Special Committee its opinion (which was subsequently confirmed in writing by delivery on the same date of Roth Capital’s written opinion addressed to the Special Committee) as to the fairness, from a financial point of view, of the Per Share Merger Consideration to be received by the holders of the Shares (other than the Excluded Shares and Dissenting Shares) and the Per ADS Merger Consideration to be received by the holders of ADSs (other than ADSs representing the Excluded Shares) pursuant to the Merger Agreement and the Plan of Merger, as of the date of such opinion, based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken, and other matters considered by Roth Capital in preparing its opinion. See “Special Factors — Opinion of the Special Committee’s Financial Advisor.”

Share Ownership of the Company's Directors and Executive Officers

The directors and executive officers of the Company beneficially owned an aggregate of 9,850,421 Shares (including Shares represented by ADSs and Shares that the person has the right to acquire within 60 days) as of the date of this Transaction Statement, representing 10.9% of the Company's total outstanding Shares. See "Special Factors — Interests of Certain Persons in the Merger" and "Security Ownership of Certain Beneficial Owners and Management of the Company."

Interests of the Company's Directors and Executive Officers in the Merger

Aside from their interests as the shareholders of the Company, the Company's directors and executive officers (including Mr. Dai, whose wholly owned company True Knight is also a Rollover Shareholder) have interests in the transactions contemplated in the Merger Agreement, including the Merger, that are different from the interests of Unaffiliated Security Holders. These interests include:

- the beneficial ownership of equity interests in Parent by Mr. Dai in his capacity as the chairman of the Board;
- the continuation of Company Options and Company Restricted Shares held by certain directors and executive officers of the Company;
- continued indemnification rights, rights to advancement of fees, and directors and officers liability insurance that are required by the Merger Agreement to be provided by the Surviving Company to the existing directors and officers of the Company following the Effective Time;
- the compensation of US\$10,000 of each member of the Special Committee in exchange for his services in such capacity; and
- the planned continuation of service of the executive officers of the Company in positions that are substantially similar to their current positions, allowing them to benefit from remuneration arrangements with the Surviving Company.

The Special Committee and the Board were aware of these potential conflicts of interest and considered them, among other matters, in reaching their decisions with respect to the Merger Agreement, the Plan of Merger, and related matters. Prior to the execution of the Merger Agreement, there have been no discussions with the Company's directors and executive officers (other than members of Special Committee) with respect to their compensation in connection with the Transactions or employment with the Surviving Company. See "Special Factors — Interests of Certain Persons in the Merger."

QUESTIONS AND ANSWERS ABOUT THE MERGER

The following questions and answers address briefly some questions Unaffiliated Security Holders may have regarding the Merger. These questions and answers may not address all questions that may be important to Unaffiliated Security Holders as holders of the Shares or ADSs. See the more detailed information contained elsewhere in this Transaction Statement and the documents referred to or incorporated by reference in this Transaction Statement.

Q: What is the Merger?

A: The Merger is a going-private transaction pursuant to which Merger Sub will be merged with and into the Company, with the Company continuing as the Surviving Company resulting from the Merger. The Merger will be effected through a statutory short-form merger in accordance with Section 233(7) of the Cayman Islands Companies Act. After the Merger is completed, the Company will be a privately held company and all of its issued Shares will be owned directly by Parent. As a result of the Merger, ADSs will no longer be listed on NASDAQ, and the Company will cease to be a publicly traded company.

Q: What consideration will I be entitled to receive in the Merger?

A: If you own ADSs immediately prior to the Effective Time and are not a member of the Buyer Group and the Merger is completed, you will be entitled to receive the Per ADS Merger Consideration of US\$1.00 in cash per ADS without interest (less applicable taxes, expenses and ADS Depositary fees (US\$5.00 for each 100 ADSs (or portion thereof) cancellation fee)) in cash, without interest and net of any applicable withholding taxes, for each ADS you continue to own when the merger consideration is paid out by the ADS Depositary. You will pay any applicable fees, charges and expenses of the ADS Depositary in connection with the distribution of the merger consideration to you, including applicable ADS cancellation fees.

Each Share issued and outstanding immediately prior to the Effective Time (other than the Excluded Shares, Shares represented by ADSs and the Dissenting Shares) will be cancelled in exchange for the right to receive the Per Share Merger Consideration of US\$1.00 in cash per Share without interest and net of any applicable withholding taxes (subject to the Consideration Adjustment).

The Dissenting Shares will be cancelled and cease to exist at the Effective Time in accordance with Section 238(7) of the Cayman Islands Companies Act, and the holders of such Dissenting Shares will be entitled to receive only the payment of the fair value of their Dissenting Shares as determined by the court in accordance with the provisions of Section 238 of the Cayman Islands Companies Act.

See “Special Factors — Material U.S. Federal Income Tax Consequences,” “Special Factors — PRC Tax Consequences,” and “Special Factors — Cayman Islands Tax Consequences” for a description of the tax consequences of the Merger. Unaffiliated Security Holders should consult their own tax advisors for a full understanding of how the Merger will affect their U.S. federal, state, and local and PRC and other non-U.S. taxes.

Q: How will a holder of ADSs receive the net Per ADS Merger Consideration to which the holder is entitled after the Merger is completed?

A: If you are not a member of the Buyer Group and you are a registered holder of ADSs that are evidenced by certificates, also referred to as American depositary receipts (“ADRs”), unless you have surrendered your ADRs to the ADS Depositary for cancellation prior to the Effective Time, upon your surrender of the ADRs (or an affidavit and indemnity for loss in lieu of the ADRs) together with a duly completed letter of transmittal (which will be supplied to you by the ADS Depositary after the Effective Time), the ADS Depositary will send you a check for the Per ADS Merger Consideration, without interest and net of the applicable ADS cancellation fee (US\$5.00 for each 100 ADSs (or portion thereof) cancelled) and any applicable expenses and withholding taxes, for each ADS represented by the ADRs, in exchange for the cancellation of your ADRs after the completion of the Merger. If you are not a member of the Buyer Group and you hold your ADSs in uncertificated form (that is, without an ADR), unless you have surrendered your ADSs to the ADS Depositary for cancellation prior to the Effective Time, the ADS Depositary will automatically send you a check for the Per ADS Merger Consideration, without interest

and net of the applicable ADS cancellation fee (US\$5.00 for each 100 ADSs (or portion thereof) cancelled) and any applicable withholding taxes, in exchange for the cancellation of all of your ADSs after the completion of the Merger. You will pay any applicable fees, charges and expenses of the ADS Depositary in connection with the distribution of the merger consideration to you, including ADS cancellation fees. In the event of a transfer of ownership of ADSs that is not registered in the register of ADS holders maintained by the ADS Depositary, the check for any cash to be exchanged upon cancellation of the ADSs will be issued to such transferee only if the ADRs, if applicable, are presented to the ADS Depositary, accompanied by all documents reasonably required to evidence and effect such transfer and to evidence that any applicable ADS transfer taxes have been paid or are not applicable.

The Per ADS Merger Consideration may be subject to backup withholding taxes if the ADS Depositary has not received from you a properly completed and signed U.S. Internal Revenue Service Form W-8 or W-9.

If your ADSs are held in “street name” by your broker, bank or other nominee, you will not be required to take any action to receive the merger consideration for your ADSs as the ADS Depositary will arrange for the surrender of the ADSs and the remittance of the Per ADS Merger Consideration (net of any expenses, applicable ADS Depositary fees pursuant to the terms of the Deposit Agreement, any applicable withholding taxes and other governmental charge) to DTC (the clearance and settlement system for the ADSs) for distribution to your broker, bank or other nominee on your behalf. If you have any questions concerning the receipt of the Per ADS Merger Consideration, please contact your broker, bank or other nominee.

Q: How will a holder of the Shares receive the net Per Share Merger Consideration to which the holder is entitled after the Merger is completed?

A: If the Shares are held directly by a registered holder, promptly after the Effective Time (and in any event within 5 business days), a bank or trust company appointed by Parent and reasonably acceptable to the Company, which will act as paying agent (the “Paying Agent”), will mail to the holder (i) letter of transmittal specifying how the delivery of the net Per Share Merger Consideration to the holder will be made and (ii) instructions for surrendering share certificates representing Shares (or affidavits and indemnities of loss in lieu of the share certificates) or non-certificated Shares represented by book entry, and/or such other documents as may be required to receive the Per Share Merger Consideration, in exchange for the net Per Share Merger Consideration. Subject to complying with these instructions, and upon surrender of the share certificates, if applicable, and/or other documents described above, the holder will receive a cheque, in the amount equal to the number of the holder’s Shares multiplied by the net Per Share Merger Consideration, in exchange for cancellation of the holder’s Shares. The Per Share Merger Consideration may be subject to U.S. federal income tax backup withholding taxes if the Paying Agent has not received from the holder a properly completed and signed U.S. Internal Revenue Service Form W-8 or W-9, as applicable.

Q: How will the Company Options and the Company Restricted Shares be treated in the Merger?

A: As of the Effective Time, Parent will assume the Share Incentive Plan, including all of the obligations of the Company with respect to the Company Options and Company Restricted Shares assumed or converted, respectively, pursuant to the Merger Agreement, subject to any limitations under applicable laws. Unless otherwise agreed between a holder of a Company Option or Company Restricted Share, the Company and Parent, each Company Option will be assumed by Parent as an option to purchase ordinary shares of Parent, and each Company Restricted Share will be assumed by Parent and converted into shares of Parent, in each case as provided in the Merger Agreement.

Q: When do you expect the Merger to be completed?

A: The Company and the Buyer Group currently expect the Merger to be completed during the first quarter of 2023. In order for the Merger to be completed, the closing conditions under the Merger Agreement, including the passage of not less than 20 days (or such later date as may be required to comply with Rule 13e-3 under the Exchange Act and all other applicable laws) after this Transaction Statement, particularly the Plan of Merger, is first mailed or distributed to the shareholders of the Company, must be satisfied.

Q: What will be the result if the Merger is not completed?

A: If the Merger is not completed for any reason, our shareholders will not receive any payment for their Shares or ADSs pursuant to the Merger Agreement, the Company will remain a publicly traded company, and ADSs will continue to be listed and traded on NASDAQ for so long as the Company continues to meet NASDAQ's listing requirements.

Q: Am I entitled to dissenters' rights?

A: Yes. Shareholders who dissent from the Merger will have the right to receive payment of the fair value of their Dissenting Shares determined in accordance with the provisions of Section 238 of the Cayman Islands Companies Act and as more fully set out in the Merger Agreement and Plan of Merger. Shareholders who elect to exercise Dissenters' Rights will have the right to receive payment of the fair value of their Shares in accordance with Section 238 of the Cayman Islands Companies Act if the Merger is consummated, but only if they (i) give to the Company, within seven (7) days of the date on which the Plan of Merger is given to such shareholder, a Written Objection in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act, and (ii) deliver a Dissent Notice to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act within 20 days immediately following the date on which such shareholder has received from the Company a written notice of the filing of the Plan of Merger with the Registrar of Companies of the Cayman Islands by the Company. A copy of Section 238 of the Cayman Islands Companies Act is attached to this Transaction Statement as Exhibit (f)(2). The fair value of each of such Shares as determined in accordance with the provisions of Section 238 of the Cayman Islands Companies Act could be more than, the same as, or less than the Merger Consideration they would receive pursuant to the Merger Agreement and Plan of Merger if they do not exercise Dissenters' Rights with respect to their Shares.

ADS holders will not have the right to dissent from the Merger and receive payment of the fair value of the Class A Ordinary Shares underlying their ADSs. The ADS depository will not exercise or attempt to exercise any Dissenters' Rights with respect to any of the Class A Ordinary Shares that it holds, even if an ADS holder requests the ADS depository to do so. ADS holders wishing to exercise Dissenters' Rights must surrender their ADSs to the ADS depository, pay the ADS depository's fees required for such surrender, provide instructions for the registration of the corresponding Class A Ordinary Shares and become registered holders of such Class A Ordinary Shares within 20 days after delivery of the Plan of Merger to the ADS depository (as the registered holder of each Class A Ordinary Share that is represented by ADSs). Thereafter, such former ADS holders must comply with the procedures and requirements for exercising Dissenters' Rights with respect to the Shares as set out in the Merger Agreement and the Plan of Merger and otherwise under Section 238 of the Cayman Islands Companies Act.

We encourage you to read the section of this Transaction Statement entitled "Dissenters' Rights" as well as "Exhibit (f)(2) — Section 238 of the Cayman Islands Companies Act" to this Transaction Statement carefully and to consult your own Cayman Islands legal counsel if you desire to exercise your Dissenters' Rights.

Q: What do Unaffiliated Security Holders need to do now?

A: We urge all our shareholders to read this Transaction Statement carefully, including its annexes, exhibits, attachments, and the other documents referred to or incorporated by reference herein. As the Company is not soliciting proxies from shareholders (because there will be no shareholder vote with respect to the Merger Agreement, the Plan of Merger, and the Merger), there is nothing else that Unaffiliated Security Holders, other than Dissenting Shareholders who may wish to exercise Dissenters' Rights, will need to do in connection with the Merger until the Merger is completed. Please see the questions above, **"How will a holder of ADSs receive the net Per ADS Merger Consideration to which the holder is entitled after the Merger is completed?" "How will a holder of the Shares receive the net Per Share Merger Consideration to which the holder is entitled after the Merger is completed?" and "Am I entitled to Dissenters' Rights?"** and the answers to those questions, for the steps persons who are Unaffiliated Security Holders as of the Effective Time should take after the Merger is completed in order to receive the consideration which they are entitled to receive in the Merger.

Q: Who can answer Unaffiliated Security Holders' questions?

A: Unaffiliated Security Holders with questions about the Merger contact China Index Holdings Limited by email at CIH-IR@fang.com or by telephone at +86-10-5631-8681.

SPECIAL FACTORS

Background of the Merger

Most of the events leading to the execution of the Merger Agreement described in this “Background of the Merger” occurred in the PRC. As a result, all dates and times referenced in this Background of the Merger refer to Beijing Time.

The Board and senior management of the Company periodically review the Company’s long-term strategic plans with the goal of maximizing shareholder value. As part of this ongoing process, the Board and senior management have, from time to time, considered strategic alternatives that may be available to the Company.

On November 29, 2020, General Atlantic Singapore Fund Pte. Ltd. (“General Atlantic”), a shareholder of the Company, approached Paul, Weis, Rifkind, Wharton & Garrison LLP (“PW”), its U.S. legal advisor, to discuss the legal requirements of a going private transaction with respect to the Company, and to instruct PW to prepare a draft preliminary non-binding proposal for a going private transaction with respect to the Company.

On November 30, 2020, General Atlantic submitted to the Board a preliminary non-binding proposal (the “2020 Proposal”) indicating its interests in acquiring all of the outstanding Shares and ADSs not already beneficially owned by General Atlantic and its affiliated investment entities at a purchase price of US\$2.32 per Share or ADS in cash (the “2020 Proposed Transaction”). In the 2020 Proposal, General Atlantic noted that it proposed to finance the consideration payable in connection with the 2020 Proposed Transaction primarily with equity capital, and possibly debt capital.

On the same date, General Atlantic Filing Persons jointly filed with the SEC a statement on Schedule 13D reporting, among other things, the submission of the 2020 Proposal and the possibility of the potential 2020 Proposed Transaction.

Between November 30, 2020 and March 21, 2021, the management of the Company had several discussions with General Atlantic to collect further information regarding the 2020 Proposed Transaction.

On March 21, 2021, the Board convened a meeting to discuss the 2020 Proposal. Given General Atlantic’s shareholding percentage in the Company, unless the controlling shareholder of the Company chooses to participate in or otherwise supports the 2020 Proposed Transaction, the 2020 Proposal did not appear to have any deal certainty. The Board then resolved that it would not take further actions with respect to the 2020 Proposal for the time being. See “Security Ownership of Certain Beneficial Owners and Management of the Company” of this Transaction Statement regarding General Atlantic’s beneficial ownership in the Company for additional information. The share ownership of General Atlantic in the Company has not been changed since the date of the 2020 Proposal.

Subsequently, the Company informed General Atlantic of its decision of suspending further discussions with General Atlantic on the 2020 Proposal and the 2020 Proposed Transaction.

On August 18, 2022, the board of directors of Fang Holdings convened a telephonic board meeting to discuss the Company’s recently released second quarter’s financial results. At the invitation of the board, Mr. Peng Cui, the Chief Financial Officer of Fang Holdings, also attended the meeting. In consideration of the Company’s downward business performance, the real estate market trend, the expenses associated with public company reporting and compliance, the rising delisting risk due to potential failure to meet minimum bid price requirement, and other regulatory risks, the board of Fang Holdings preliminarily discussed the idea of pursuing a going private transaction with respect to the Company and the potential financing capabilities and sources for such a transaction. The board authorized the management of Fang Holdings to further explore the possibility of a going private transaction involving the Company.

On August 19, 2022, representatives of Fang Holdings approached O’Melveny and Myers LLP (“O’Melveny”) and discussed with O’Melveny the general concept of a going private transaction. Between August 19, 2022 and August 22, 2022, representatives of Fang Holdings and representatives of O’Melveny had several telephonic discussions, including the feasibility of a going private transaction, the requisite

regulatory approvals and other legal requirements of a going private transaction in general. On August 22, 2022, Fang Holdings formally engaged O'Melveny as its U.S. legal advisor.

Between August 18, 2022 and August 23, 2022, representatives of Fang Holdings reached out to Mr. Tianquan Mo and Mr. Jiangong Dai, in their capacity as shareholders of the Company, to introduce the idea and the possibility of a going private transaction of the Company and to ascertain their interest in considering participating in such potential transaction with Fang Holdings. These discussions were preliminary in nature and did not result in any in-depth discussions regarding the terms of, or any understanding or agreement with respect to, any potential transaction.

On August 23, 2022, the board of directors of Fang Holdings convened another board meeting to further discuss, among other things, the proposed going private transaction involving the Company, the regulatory requirements on such transaction, historical stock price of the Company, Fang Holdings' initial offer price, the impact of such transaction on Fang Holdings' financial performance, and based on these discussions, approved the submission by Fang Holdings of a preliminary non-binding "going private" proposal to the Company. At the invitation of the board, Mr. Peng Cui also attended the meeting.

On the same date, Fang Holdings submitted a preliminary non-binding proposal letter (the "Original Proposal") to the Board to acquire all outstanding Class A Ordinary Shares, including Class A Ordinary Shares represented by ADSs, and Class B Ordinary Shares of the Company not already beneficially owned by Fang Holdings in a going-private transaction for US\$0.84 per Share or per ADS in cash (the "Proposed Transaction"), subject to certain conditions. Fang Holdings stated in the Original Proposal that it intended to finance the Proposed Transaction contemplated under the Original Proposal with cash on hand.

Later on the same date, the Company issued a press release announcing receipt of the Original Proposal, and furnished the press release as an exhibit to a current report on form 6-K with the SEC.

Later on the same date, representatives of Evenstar Manager engaged in a preliminary discussion by conference call with representatives of Fang Holdings to inquire about the Original Proposal and the Proposed Transaction. The discussion was preliminary in nature and did not result in any in-depth discussions regarding the terms of, or any understanding or agreement with respect to, the Proposed Transaction.

On the same date, the Board (other than Mr. Dai, who is affiliated with Fang Holdings, recused himself from this meeting and abstained from voting) convened a meeting by telephone to discuss the Original Proposal. During the meeting, the attending directors discussed various qualifications of the directors of the Company to serve on a special committee of the Board to evaluate the Original Proposal. After the discussion, the Board determined that it was in the best interests of the Company and its shareholders to establish a special committee of independent and disinterested directors to evaluate the Original Proposal (the "Special Committee") and thus passed a written resolution establishing the Special Committee, consisting of two independent directors Messrs. Jianping Ye and Jason Chenyang Wei, with Mr. Jianping Ye serving as the chairman of the Special Committee.

In early September 2022, Fang Holdings continued its ongoing preliminary discussions with Mr. Tianquan Mo and Mr. Jiangong Dai, in their capacity as shareholders of the Company, relating to the formation of a consortium led by Fang Holdings to complete the Proposed Transaction. Representatives of Fang Holdings also reached out to Digital Link Investments Limited ("Digital Link"), General Atlantic and Evenstar to ascertain their interest in joining a consortium led by Fang Holdings.

Over the course of September 2022, the Special Committee considered proposals from and conducted interviews with multiple law firms and investment banks that had expressed interest in being considered for the roles of U.S. legal advisor and financial advisor to the Special Committee, respectively. After deliberation

on relevant factors, including experience in similar transactions, qualifications and reputation, of each potential legal counsel and financial advisor, the Special Committee decided to retain Gibson, Dunn & Crutcher LLP (“Gibson Dunn”) as its U.S. legal advisor, and Roth Capital as its financial advisor, to assist the Special Committee in evaluating and negotiating the Proposed Transaction or any alternative transaction.

On the same date, Fang Holdings, Mr. Tianquan Mo and his affiliates including ACE Smart, Karistone, Open Land, Media Partner, Next Decade, and True Knight, Digital Link, and General Atlantic entered into a consortium agreement (the “Consortium Agreement”), pursuant to which each of them has agreed, among other things, that (i) Fang Holdings, as the lead investor, shall act in good faith to engage in discussions with the Special Committee regarding the Proposed Transaction, negotiate and finalize the definitive documentation in connection with the Proposed Transaction; (ii) they will cooperate in engaging advisors; (iii) they will cooperate in entry into definitive documentation with respect to the Proposed Transaction; (iv) for a period ending on the earlier of (A) the date which is 12 months after the date of the Consortium Agreement, which may be extended as jointly agreed by the parties thereto in writing and (B) the termination of the Consortium Agreement pursuant to its terms thereof, each of the parties thereto will work exclusively with each other to implement the Proposed Transaction, including to evaluate the Company and its business, prepare, negotiate and finalize the definitive documentation, vote, or cause to be voted, at every shareholder meeting all of its equity securities held or otherwise beneficially owned by it or its affiliates in the Company (x) against any alternative transaction or matter that would facilitate an alternative transaction and (y) in favor of the Proposed Transaction, and not to acquire or dispose of the Shares and ADSs, subject to certain exceptions; and (v) subject to certain conditions including entry into definitive documentation with respect to the Proposed Transaction, each of the parties thereto will contribute (or cause their affiliates to contribute) respective applicable cash or Shares or ADSs to a new company to be formed by the consortium in exchange for its newly issued equity interests.

The Revised Proposal also stated that they had agreed to work exclusively with each other in pursuing the Proposed Transaction, and that they owned in aggregate approximately 61.0% of all the issued and outstanding Class A Ordinary Shares and approximately 100% of all the issued and outstanding Class B Ordinary Shares, which in aggregate represent approximately 91.4% of the total voting power of the Company.

Members of the Special Committee and representatives of Gibson Dunn and Roth Capital then discussed the process of a going-private transaction and the general timetable should the Special Committee and the Initial Consortium decided to proceed with such a transaction. At the request of the Special Committee, Gibson Dunn explained to members of the Special Committee their fiduciary duties to the Company and the Company's shareholders. Members of the Special Committee asked various questions, to which representatives of Gibson Dunn responded. Roth Capital also gave members of the Special Committee an overview of the financial due diligence and valuation analysis that it planned to perform on the Company in connection with its evaluation of the Proposed Transaction.

On October 20, 2022, the Company, the Special Committee and members of the Initial Consortium entered into the Buyer Group NDA, which contains customary provisions restricting the Buyer Group's disclosure and use of confidential information relating to the Company or the Proposed Transaction, and a "standstill" provision restricting members of the Initial Consortium from acquiring additional Shares or ADSs without the Special Committee's consent. On October 28, 2022, Gibson Dunn provided to the Special Committee an issues list identifying the key issues in the initial draft of the Merger Agreement.

The Special Committee was granted, by way of unanimous written resolutions passed by all members of the Board, the power and authority to, among other things, (i) negotiate the Proposed Transaction or any alternative transaction and exercise its exclusive authority to agree to proposed terms on behalf of the Company, (ii) retain any legal counsel, financial advisor, and other consultants and agents as the Special Committee deems appropriate to assist it in discharging its responsibilities, (iii) access all books, records, and other information and documents of or in the possession of the Company or available

to the Company as the Special Committee in its sole discretion deems necessary or desirable to assist it in its evaluation of the Proposal or any alternative transaction, (iv) explore, investigate, and consider any alternative transaction and matters related thereto as the Special Committee deems appropriate, (v) reject the Proposal or any alternative transaction if the Special Committee determines such transaction is not fair to and in the best interests of the Company's shareholders in general or the shareholders other than members of the Initial Consortium in particular, or if the Special Committee determines the other alternatives, including not entering into any similar transaction, are more advisable, and (vi) exercise any other power that the Special Committee may determine is necessary, proper or advisable to permit the Special Committee to effectively assist the Board in determining whether the Proposal or any alternative transaction is fair to and in the best interests of the Company's shareholders in general or the shareholders other than members of the Initial Consortium. On November 3, 2022, the Special Committee convened a meeting via videoconference with representatives of Gibson Dunn and Roth Capital. The Special Committee and Gibson Dunn first discussed the Initial Consortium's request to admit Evenstar as a member of the consortium led by Fang Holdings and the draft Evenstar NDA. Based on these discussions, the Special Committee resolved to approve such request and enter into a confidentiality agreement with Evenstar, which would contain substantially the same terms and conditions set forth in the Buyer Group NDA. At the request of the Special Committee, Gibson Dunn then walked Special Committee through the key issues identified in the initial draft of the Merger Agreement. Members of the Special Committee asked various questions regarding these issues, to which Gibson Dunn responded. As part of the issues list discussion, Gibson Dunn explained to the Special Committee the general market practice of a pre-signing market check and post-signing "go-shop" procedures in similar going private transactions involving Cayman-domiciled companies where a buyer group owns more than 50% of the aggregate voting power. Members of the Special Committee asked various questions regarding these issues, which representatives of Gibson Dunn answered. Based on these discussions, the Special Committee decided not to conduct a pre-signing market check or post-signing "go-shop" taking into account facts including that the Buyer Group, after admitting Evenstar as a member, would own in the aggregate over 90% of the total voting power and over 80% of the total outstanding share capital of the Company. The Special Committee determined, in light of these facts, that a pre-signing market check or post-signing "go-shop" would be unlikely to identify another party interested in making an offer to acquire the Company. At the request of the Special Committee, Roth Capital updated the Special Committee and Gibson Dunn on the progress of its financial due diligence and financial analysis on the Company. Members of the Special Committee asked various questions, which Roth Capital answered.

After the entry into the deeds of adherence by Evenstar Master and ESSL, the Buyer Group collectively owns 51,956,963 Class A Ordinary Shares and 23,636,706 Class B Ordinary Shares, collectively representing approximately 95% of the voting power in the Company. Concurrently with the execution of the deeds of adherence, Evenstar Master and ESSL entered into the Evenstar NDA, which contains substantially the same terms as the Buyer Group NDA.

Based on these discussions, the Special Committee instructed Gibson Dunn to prepare a markup of the revised draft of the Merger Agreement.

On November 29, 2022, representatives of Roth Capital held two telephonic meetings with representatives of the Buyer Group. During the meetings, Roth Capital conveyed the Special Committee's request for an increase of the purchase price to the Buyer Group.

On December 7, 2022, Mr. Tianquan Mo informed Fang Holdings that he had decided not to provide equity financing to fund the Proposed Transaction. On the same date, Fang Holdings determined that it would provide 100% equity financing to fund the Proposed Transaction pursuant to the Consortium Agreement and informed the Special Committee and Gibson Dunn of the same.

Representatives of Roth Capital also updated the Special Committee regarding their continued financial analyses. Based on these discussions, the Special Committee instructed Roth Capital to continue the purchase price negotiation to obtain the best price for public shareholders, and Gibson Dunn to work with the Company and O'Melveny to finalize the Merger Agreement and the Ancillary Agreements.

Later on the same date, representatives of the Buyer Group conveyed the Buyer Group's position to Roth Capital that the Buyer Group was unwilling to further increase the purchase price, and that the improved purchase price of US\$1.00 per Share or per ADS constituted the Buyer Group's "best and final offer," which Roth Capital subsequently conveyed to the Special Committee and Gibson Dunn.

On December 21, 2022, the board of directors of Fang Holdings and its audit committee approved the Equity Commitment Letter, the Limited Guarantee, the Support Agreement, the Interim Investors Agreement and the transactions as contemplated under the Merger Agreement, including without limitation, the Merger.

Thereafter, at the request of the Special Committee, Roth Capital verbally rendered its opinion to the Special Committee (which was subsequently confirmed in writing by the delivery of Roth Capital's written opinion, dated December 22, 2022, addressed to the Special Committee) that, as of the date thereof and based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Roth Capital in preparing its opinion, the Per Share Merger Consideration to be received by the holders of Shares (other than the Excluded Shares and Dissenting Shares) and the Per ADS Merger Consideration to be received by the holders of ADSs (other than ADSs representing the Excluded Shares), pursuant to the Merger Agreement, are fair, from a financial point of view, to such holders. Please see "Special Factors — Opinion of the Special Committee's Financial Advisor" for additional information regarding the financial analysis performed by Roth Capital and the opinion rendered by Roth Capital to the Special Committee. The full text of the written opinion of Roth Capital to the Special Committee, dated December 22, 2022, is attached as Exhibit (c)(1) to this Transaction Statement. Thereafter, Gibson Dunn reviewed with the members of the Special Committee the key terms of the Merger Agreement and the Ancillary Agreements. Following a discussion of the terms of the Merger Agreement and the related Ancillary Agreements, as well as Roth Capital's presentation of its financial analyses and opinion, the Special Committee unanimously resolved to approve the proposed Merger Agreement, the Plan of Merger and the Limited Guarantee, each substantially in the form of the drafts presented to the Special Committee, and the transactions contemplated by the Merger Agreement, including the Merger, and recommend that the Board authorize and approve the Merger Agreement, the Plan of Merger, and the consummation of the Transactions.

Following the meeting of the Special Committee, the Board convened, and based upon the unanimous recommendation of the Special Committee, and taking into account the other factors described below under the heading titled "Special Factors — Reasons for the Merger and Position of the Special Committee and the

Board,” the Board (other than Mr. Robert Ciemniak who abstained from voting) (i) determined and declared that the Merger, on the terms and subject to the conditions set forth in the Merger Agreement, is fair to, and in the best interests of, the Company and Unaffiliated Security Holders, and (ii) adopted resolutions approving the terms of the Merger Agreement and Limited Guarantee and the transactions contemplated thereby.

Other than the Buyer Group NDA and Evenstar NDA, as of the date of this Transaction Statement, no confidentiality, standstill or similar agreement has been entered into between the Company, on the one hand, and any strategic buyer or financial investor, on the other hand, with respect to an alternative transaction.

Reasons for the Merger and Position of the Special Committee and the Board

At a meeting on December 22, 2022, the Special Committee, after evaluating the proposed terms of the Merger and the related transactions with the assistance of its independent financial and legal advisors, unanimously (i) determined that the Merger Agreement, the Plan of Merger and the transactions contemplated thereby, including the Merger, are advisable, fair to, and in the best interests of the Company and its shareholders (other than holders of Excluded Shares), and (ii) recommended that the Board approve the Merger Agreement, the Plan of Merger and the Limited Guarantee, each substantially in the form presented to the Special Committee, and the performance by the Company of its obligations under the Merger Agreement, the Plan of Merger and the Limited Guarantee, as applicable, and the consummation by the Company of the transactions contemplated thereby, including the Merger, should be adopted and approved by the Board in all respects.

On December 22, 2022, the Board (other than Mr. Robert Ciemniak who abstained from voting), acting on the unanimous recommendation of the Special Committee and on behalf of the Company, authorized and approved the execution, delivery and performance of the Merger Agreement, the Plan of Merger and the Limited Guarantee, and the consummation of the Merger and other transactions contemplated thereby, including the Merger.

In the course of reaching their determination, the Special Committee and the Board considered the factors and potential benefits of the Merger discussed below, each of which the Special Committee and the Board believe supported their decision to approve the Merger Agreement and that the Merger is substantially fair to Unaffiliated Security Holders. These factors and potential benefits are not listed in any relative order of importance.

- *Merger Consideration.* The Per Share Merger Consideration and Per ADS Merger Consideration are all cash, which provides a specific amount of cash consideration for the Shares (including the Shares represented by ADSs) held by, and liquidity to, Unaffiliated Security Holders and allows Unaffiliated Security Holders to avoid post-merger risks and uncertainties relating to the prospects of the Company.

The Merger will enable Unaffiliated Security Holders to immediately receive (without the payment of any brokerage fees or commissions typically associated with market sales) cash for their Shares or ADSs.

- *Current and Historical Market Prices of ADSs.* The Per Share Merger Consideration of US\$1.00 per Share, or the Per ADS Merger Consideration of US\$1.00 per ADS, represents a premium of (i) approximately 42.9% to the closing price of the ADSs on August 22, 2022, the last trading day prior to the Company's receipt of the preliminary non-binding "going private" proposal from Fang Holdings on August 23, 2022; and (ii) approximately 46.2% and 33.1% to the volume-weighted average closing price of the ADSs during the 30 trading days and 60 trading days, respectively, prior to and including August 22, 2022. The Merger Consideration is also approximately 5.3% higher than US\$0.95 per ADS, the transfer price of the Company's ADSs in four recent transactions between several Rollover Shareholders and certain institutional investors during April and May of 2022, which provides a significant reference of the value of ADSs of the Company.
- *Opinion of Financial Advisor.* The Special Committee considered the financial analysis prepared by Roth Capital and reviewed by Roth Capital with the Special Committee as well as the opinion of Roth Capital rendered to the Special Committee on December 22, 2022, as to the fairness, from a financial point of view, of the Merger Consideration to be received by holders of the Shares (other than the Excluded Shares and the Dissenting Shares) and ADSs (other than ADSs representing the Excluded Shares) in the Merger pursuant to the Merger Agreement, as of December 22, 2022, based upon and subject to the assumptions, qualifications, limitations and other matters set forth in the opinion. See "Opinion of the Special Committee's Financial Advisor" beginning on page 48 of this Transaction Statement. The Special Committee notes that the opinion delivered by Roth Capital addresses the fairness, from a financial point of view, of the Per Share Merger Consideration to be received by the holders of Shares (other than the Excluded Shares and Dissenting Shares), including the Company's director and officer shareholders. These director and officer shareholders are treated in the same way as Unaffiliated Security Holders in connection with the Merger, and will receive the same amount of Per Share Merger Consideration as Unaffiliated Security Holders. The Special Committee does not believe the inclusion of these director and officer shareholders in Roth Capital's opinion affects its ability to rely on the opinion of Roth Capital as one of the factors, based on which the Special Committee determines that the Merger is fair to Unaffiliated Security Holders. However, the Special Committee has not made any determination, nor does it intend to express any view, as to the fairness of the Merger to any shareholder who is an affiliate of the Company, such as the director and officer shareholders identified in the preceding sentence. The Special Committee and the Board expressly adopted these analyses and opinions of Roth Capital as their own, among other factors considered, in reaching their respective determination as to the fairness of the Transactions.
- *Unanimous Recommendation of the Special Committee.* After evaluating the Proposed Transaction, the Special Committee unanimously (i) determined that the Merger Agreement, the Plan of Merger and the Merger were fair and in the best interests of the Company and Unaffiliated Security Holders, and (ii) recommended that the Board approve the execution, delivery and performance of the Merger Agreement and the other Transaction Agreements and the consummation of the Transactions, including the Merger.
- *Elimination of Future Financial Performance Risks of the Company.* The Merger would shift the risk of the future financial performance of the Company from Unaffiliated Security Holders, who do not have the power to control decisions made regarding the Company's business, entirely to the Buyer Group, who have the power to control the Company's business.
- *No Third-Party Offers.* There has been no other offer than the Proposal the Special Committee, or the Board is aware for a going-private or other similar transaction with respect to the Company.
- *Deteriorating Macroeconomic Environment.* Increasing global interest rate environment is causing a negative impact on global real estate. Recent market conditions in China has resulted in high profile credit quality deterioration, including defaults and bankruptcies, by Chinese real estate developers.
- *Deteriorating Microeconomic Environment.* The customer trends of the Company demonstrate a progressive and significant deterioration in customer revenues and revenue visibility. The Company forecasts a more than 57% decrease in its revenues by 2025 from its 2020 peak.

- *Reduced Costs and Expenses.* The costs and administrative burdens associated with the Company's status as a U.S. publicly traded company, including the costs associated with regulatory filings and compliance requirements, will be reduced. The Company has estimated that no longer being subject to such requirements will result in a saving of direct costs of approximately US\$2 million for the first year following the completion of the Merger, and commensurate cost savings thereafter. These costs become more burdensome to the Company over time since the listing of the Company on June 11, 2019 as a result of its separation and distribution from Fang Holdings.
- *Potential Adverse U.S. Regulatory Changes.* The possibility that China-based U.S.-listed public companies such as the Company could be delisted from U.S. stock exchanges, or be subject to other burdensome restrictions, by reason of any newly enacted law or regulation similar in substance to (i) the "Holding Foreign Companies Accountable Act" passed by the U.S. Senate in May 2020 and by the U.S. House of Representatives in December 2020, and (ii) the "Memorandum on Protecting United States Investors from Significant Risks from Chinese Companies" issued by the U.S. White House in June 2020, both of which purport to address perceived risks to investors in U.S. financial markets from the PRC government's purported failure to allow audit firms, such as the Company's independent auditor, that audit U.S.-listed companies based in China to be adequately examined by the U.S. Public Company Accounting Oversight Board pursuant to U.S. securities law.
- *Dissenters' Rights.* The availability of Dissenters' Rights to Unaffiliated Security Holders who comply with all of the required procedures as provided under the Merger Agreement for exercising Dissenters' Rights and subsequently comply with the relevant procedures and requirements of Section 238 of the Cayman Islands Companies Act for the exercise of Dissenters' Rights, which allow such holders to seek an appraisal of the fair value of their Shares under the Cayman Islands Companies Act and to receive payment of the fair value of their Shares as determined by the Court.
- *Limited Guarantee.* The fact that the Sponsor will guarantee the Parent Termination Fee and have delivered evidence of their creditworthiness.
- *Equity Commitment.* The fact that Fang Holdings, as a member of the Buyer Group, has delivered the Equity Commitment Letter committing sufficient cash to complete the Merger, and evidence of the creditworthiness of equity commitment sources.

The Special Committee and the Board did not consider the Company's net book value, which is an accounting concept based on historical costs, as a factor because they believed that net book value is not a material indicator of the Company's value as a going concern but rather is indicative of historical costs (and does not, for example, take into account the future prospects of the Company, market trends and conditions or business risks inherent in a competitive market); and therefore, in their view, is not a relevant measure in the determination as to the fairness of the Merger. Except for the Original Proposal and the Proposal, the Company is not aware of any other offers (firm or otherwise) made by any unaffiliated person, other than the Buyer Group, during the past two years for: (i) a merger or consolidation of the Company with or into another company, or vice-versa; (ii) a sale or other transfer of all or any substantial part of the assets of the Company; or (iii) a purchase of the Company's securities that would enable the holder to exercise control of the Company.

In the course of reaching its conclusion regarding the fairness of the Merger to Unaffiliated Security Holders, the Special Committee and the Board considered financial analyses presented by Roth Capital as an indication of the going concern value of the Company. These analyses included among others, comparable companies analysis, precedent transactions analysis, recent 13-D transactions, premiums analyses, discounted cash flow analysis as well as other data and considerations presented by Roth Capital. All of the material analyses as presented to the Special Committee and the Board are summarized below under the caption "Opinion of the Special Committee's Financial Advisor" beginning on page 48 of this Transaction Statement. The Special Committee and the Board considered, among others, these analyses and the opinion of Roth Capital in reaching its determination as to the fairness of the transactions contemplated by the Merger Agreement, including the Merger, and expressly adopted these analyses and opinions, among other factors considered, in reaching their respective determination as to the fairness of the transactions contemplated by the Merger Agreement, including the Merger.

In their consideration of the fairness of the proposed Merger, the Special Committee and the Board did not undertake an appraisal of the assets of the Company to determine the Company's liquidation value for

Unaffiliated Security Holders, due to the impracticability of determining a liquidation value given the significant execution risk involved in any breakup. In addition, the Special Committee and the Board did not consider the Company's liquidation value to be a relevant valuation method because they consider the Company to be a viable going concern where value is derived from cash flows generated from its continuing operations, and because the Company will continue to operate its business following the Merger.

In their consideration of the fairness of the proposed Merger, the Special Committee and the Board did not seek to establish a pre-merger going concern value for the Shares and ADSs to determine the fairness of the merger consideration to Unaffiliated Security Holders because following the Merger the Company will have a significantly different capital structure. However, to the extent the pre-merger going concern value was reflected in the pre-announcement price of the ADSs, the merger consideration represented a premium to the going concern value of the Company.

The foregoing discussion of the information and factors considered and given weight by the Special Committee and the Board in connection with their evaluation of the fairness of the Merger to Unaffiliated Security Holders is not intended to be exhaustive, but includes all material factors considered. The Special Committee and the Board found it impracticable to assign, and did not assign, relative weights to the foregoing factors considered in reaching its conclusions as to the fairness of the Merger to Unaffiliated Security Holders. Rather, the Special Committee and the Board made the fairness determinations on behalf of the Company after considering all of the foregoing factors as a whole.

In addition to the foregoing factors and analyses that supported the Special Committee's and the Board's belief that the Merger is fair to Unaffiliated Security Holders, the Special Committee and the Board also weighed the following negative factors:

- *No Future Participation in the Prospects of the Company.* Following the consummation of the Merger, Unaffiliated Security Holders will cease to participate in any future earnings of or benefit from any increases in the value of the Company. Only the Buyer Group would benefit from an increase in the value of the Company following the completion of the Merger.
- *No Opportunity for Unaffiliated Security Holders to Vote on the Merger.* Because the Merger is being effected pursuant to a "short-form" merger under section 233(7) of Cayman Islands Companies Act, the Merger does not require approval of the Company's shareholders to effect the Merger if a copy of the Plan of Merger is given to every registered shareholder of the Company. Unaffiliated Security Holders will not therefore have the opportunity to vote on the Merger.
- *Historical Closing Price.* The historical closing price of the ADSs is as high as US\$1.30 per ADS during the 52-week period prior to the announcement of the execution of the Merger Agreement.

After weighing these negative factors and giving them due consideration, the Special Committee and the Board have concluded that none of these factors, alone or in the aggregate, is significant enough to outweigh the factors and analyses that they considered to support their belief that the Merger is fair to Unaffiliated Security Holders.

In addition, notwithstanding the fact that Unaffiliated Security Holders will not be entitled to vote to approve or disapprove the Merger Agreement and the Plan of Merger, the Special Committee and the Board believed that sufficient procedural safeguards were and are present to ensure that the Merger is procedurally fair to Unaffiliated Security Holders and to permit the Special Committee and the Board to represent effectively the interests of such Unaffiliated Security Holders, which procedural safeguards include the following, which are not listed in any relative order of importance:

- the consideration and negotiation of the Merger Agreement were conducted entirely under the control and supervision of the Special Committee, which consists of two independent directors, and that no limitations were placed on the Special Committee's authority;
- in considering the transaction with the Buyer Group, the Special Committee, consisting solely of independent and disinterested directors, acted solely to represent the interests of Unaffiliated Security Holders, and the Special Committee, on behalf of Unaffiliated Security Holders, had full control of the extensive negotiations with the Buyer Group and its advisors;

- all of the members of the Special Committee during the entire process were and are independent directors and free from any affiliation with the Buyer Group; in addition, neither of the members of the Special Committee is or ever was an employee of the Company or any of its subsidiaries or affiliates and neither of such members has any financial interest in the Merger that is different from that of Unaffiliated Security Holders, other than the members' receipt of the Board compensation in the ordinary course, their non-contingent compensation as members of the Special Committee and their indemnification and liability insurance rights under the Merger Agreement;
- the Special Committee retained its own legal counsel and financial advisor that are independent from the Buyer Group to assist the Special Committee in connection with the review and consideration of the Merger, and such legal counsel and financial advisor acted solely on behalf of the Special Committee for the purposes of negotiating the terms of the Merger and preparing the opinion concerning the fairness of the transactions contemplated under the Merger Agreement;
- the Special Committee was empowered, among other things, to review, evaluate, and negotiate the terms of the Merger and to recommend to the Board what action should be taken by the Company, including not to engage in the relevant transactions, including the Merger;
- the terms and conditions of the Merger Agreement were the product of extensive negotiations between the Special Committee and its advisors, on the one hand, and the Buyer Group and their advisors, on the other hand;
- the Special Committee held meetings on multiple occasions to consider and review the terms of the Merger Agreement and the Proposed Transaction;
- the ability of the Special Committee to evaluate bona fide, unsolicited alternative acquisition proposals that may arise between the date of the Merger Agreement and the Effective Time, to furnish confidential information to and conduct negotiations with such third parties and, in certain circumstances, to terminate the Merger Agreement subject to the payment to Parent of a termination fee, and accept a Superior Proposal, consistent with the Special Committee's fiduciary obligations;
- the Special Committee did not have any obligation to approve the Merger Agreement, the Plan of Merger, the Merger and the related transactions, or to recommend that the Board approve them;
- the Special Committee and the Board intend to mail the definitive Transaction Statement to the shareholders of the Company at least 20 days prior to the Effective Date. The Special Committee and the Board intend to effect the Merger in a manner that is in compliance with all procedural requirements under Rule 13e-3 of the Exchange Act and the Cayman Islands Companies Act, in each case to the extent applicable to a "short-form" merger to be effected under the Cayman Islands Companies Act.

As Parent will hold more than 90% of the total voting power in the Company, the Merger will be a "short-form" merger in accordance with Part XVI (and in particular section 233(7)) of the Cayman Islands Companies Act, which does not require approval of the shareholders of the parties to the Merger. The Special Committee and the Board noted that, as a result, the authorization and approval of the Merger Agreement, the Plan of Merger and the transactions thereof, including the Merger, are not subject to approval by a majority of Unaffiliated Security Holders. Nevertheless, the Special Committee and the Board believe the Merger is procedurally fair to Unaffiliated Security Holders because, among other things and in addition to all the procedural safeguards described above, (i) the majority-of-the-minority voting requirement is not customary in going-private transactions involving Cayman Islands companies, and no shareholders' voting is required at all under the Cayman Islands Companies Act for a "short-form" merger like the Merger, and (ii) various safeguards and protective steps have been adopted to ensure the procedural fairness of the transactions, including without limitation (a) the Board's formation of the Special Committee and granting to the Special Committee of the authority to review, evaluate, and negotiate (and to ultimately either authorize or reject) the terms of the Merger Agreement, (b) the Special Committee's retention of, and receipt of advice from, competent and experienced independent legal counsel and independent financial advisor, and (c) the right of the Company to evaluate bona fide, unsolicited alternative acquisition proposals that may arise between the date of the Merger Agreement and the Effective Time.

Certain directors and executive officers of the Company have interests in the Merger that are different from, and/or in addition to, those of Unaffiliated Security Holders by virtue of their continuing interests in

the surviving company after the consummation of the Merger. These interests are described under the caption “Summary — Interests of the Company’s Directors and Executive Officers in the Merger.”

Position of the Buyer Group as to the Fairness of the Merger

Under SEC rules governing “going-private” transactions, each member of the Buyer Group is required to express its belief as to the fairness of the Merger to Unaffiliated Security Holders of the Company. Each member of the Buyer Group is making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act. The Buyer Group has interests in the Merger that are different from, and/or in addition to, those of Unaffiliated Security Holders by virtue of their continuing interests in the Surviving Company after the completion of the Merger. These interests are described under the caption “Special Factors — Interests of Certain Persons in the Merger — Interests of the Buyer Group.”

The Buyer Group believes the interests of Unaffiliated Security Holders were represented by the Special Committee, which negotiated the terms and conditions of the Merger Agreement with the assistance of its independent legal and financial advisors. The Buyer Group attempted to negotiate a transaction that would be most favorable to it and not to Unaffiliated Security Holders and, accordingly, did not negotiate the Merger Agreement with a goal of obtaining terms that were fair to such holders. None of members of the Buyer Group participated in the deliberations of the Special Committee regarding, or received any advice from the Special Committee’s independent legal or financial advisors as to, the fairness of the Merger to Unaffiliated Security Holders.

Furthermore, the Buyer Group did not undertake a formal evaluation of the fairness of the Merger. No financial advisor provided the Buyer Group with any analysis or opinion with respect to the fairness of the Merger Consideration to Unaffiliated Security Holders.

Based on their knowledge and analysis of available information regarding the Company, as well as discussions with the Company’s senior management regarding the Company and its business and the factors considered by, and findings of, the Special Committee and the Board discussed under the caption “Special Factors — Reasons for the Merger and Position of the Special Committee and the Board,” the Buyer Group believes that the Merger is substantively fair to Unaffiliated Security Holders of the Company based on their consideration of the following factors, which are not listed in any relative order of importance:

- the current and historical market prices of the ADSs, including the fact that the merger consideration of US\$1.00 per ADS or Share in cash representing a premium of approximately 42.9% to the closing price of the ADSs on August 22, 2022, the last trading day prior to the Company’s announcement of its receipt of the preliminary non-binding “going private” proposal from Fang Holdings on August 23, 2022, and premiums of approximately 46.2% and 33.1% to the volume-weighted average closing price of the ADSs during the last 30 trading days and 60 trading days, respectively, prior to and including August 22, 2022;
- the Special Committee and, acting upon the unanimous recommendation of the Special Committee, the Board (other than Mr. Robert Ciemniak who abstained from voting) determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are in the best interests of Unaffiliated Security Holders;
- the Merger Consideration to be paid to the Unaffiliated Security Holders in the Merger is all cash, which allows Unaffiliated Security Holders to immediately realize certainty of value and liquidity without incurring brokerage and other costs typically associated with market sales and allows Unaffiliated Security Holders not to be exposed to risks and uncertainties relating to the prospects of the Company;
- Parent obtained equity financing for the Transactions, as well as the limited number and nature of the conditions to such equity financing;
- notwithstanding that the Buyer Group may not rely upon the opinion provided by financial advisor to the Special Committee, the Special Committee received from its financial advisor an opinion, dated December 22, 2022, as to the fairness, from a financial point of view, of the Per Share Merger Consideration to be received by the holders of the Shares (other than the Excluded Shares and

Dissenting Shares) and the Per ADS Merger Consideration to be received by the holders of ADSs (other than ADSs representing the Excluded Shares) in the Merger, as of December 22, 2022, based upon and subject to the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Roth Capital in preparing its opinion;

- the Company, under certain circumstances, is able to specifically enforce the terms of the Merger Agreement, the Support Agreement, the Equity Commitment Letter and the Limited Guarantee;
- pursuant to and subject to limitations set forth in the Limited Guarantee, Fang Holdings has guaranteed to the Company the due and punctual performance and discharge as and when due of the payment obligations of Parent with respect to (i) the payment of termination fee pursuant to Section 9.3(b) of the Merger Agreement (subject to the terms and limitations of Section 9.3(b) of the Merger Agreement) and (ii) the reimbursement obligations of Parent pursuant to Section 9.3(c) of the Merger Agreement, subject to a cap of US\$2,200,000; and
- the Merger is not conditioned on any financing being obtained by Parent or Merger Sub or the sufficiency of the available cash of the Company for the Merger, thus increasing the likelihood that the Merger will be consummated and the Merger Consideration will be paid to holders of the Shares (other than the Excluded Shares and Dissenting Shares) and holders of ADSs (other than ADSs representing the Excluded Shares).

The Buyer Group did not consider the Company's net book value, which is an accounting concept based on historical costs, as a factor because it believed that net book value is not a material indicator of the Company's value as a going concern but rather is indicative of historical costs (and does not, for example, take into account the future prospects of the Company, market trends and conditions, or business risks inherent in a competitive market) and therefore, in its view, is not a relevant measure in the determination as to the fairness of the Merger. The Buyer Group notes, however, that the merger consideration of US\$1.00 per ADS or Share, is substantially higher than the net book value per Share of US\$0.19 as of September 30, 2022 (based on the number of issued and outstanding Shares as of that date).

In its consideration of the fairness of the Merger, the Buyer Group did not undertake an appraisal of the assets of the Company to determine the Company's liquidation value for Unaffiliated Security Holders due to the impracticability of determining a liquidation value because it considered the Company to be a viable going concern where value is derived from cash flows generated from its continuing operations, and because the Buyer Group intends that the Company will continue to operate its business following the Merger. Therefore, the Buyer Group did not believe liquidation value to be relevant to a determination as to the fairness of the Merger.

The Buyer Group did not seek to establish a pre-Merger going concern value for the Shares and ADSs to determine the fairness of the Merger Consideration to Unaffiliated Security Holders because following the Merger the Company will have a significantly different capital structure. Therefore, the Buyer Group does not believe that the going-concern value of the Company is an appropriate indicator to determine the fairness of Merger Consideration payable in the Merger to the Unaffiliated Security Holders. However, to the extent the pre-Merger going concern value was reflected in the pre-announcement price of the ADSs, the merger consideration represented a premium to the going concern value of the Company.

The Buyer Group believes that the transactions contemplated by the Merger Agreement, including the Merger, are procedurally fair to Unaffiliated Security Holders based on the following factors, which are not listed in any relative order of importance:

- the members of the Special Committee are not officers or employees of the Company or affiliated with any member of the Buyer Group, and do not have any interests in the Merger different from, or in addition to, those of Unaffiliated Security Holders, other than (i) the directors' receipt of Board compensation in the ordinary course, (ii) continued indemnification rights, rights to advancement of fees, and directors and officers liability insurance that are required by the Merger Agreement to be provided by the Surviving Company to the existing directors and officers of the Company following the Effective Time, and (iii) their non-contingent compensation as members of the Special Committee;
- the Special Committee was established and given authority to, among other things, review, evaluate and negotiate the terms of the Merger and to recommend to the Board what action should be taken by the Company, including not to engage in the Merger;

- the Special Committee retained and was advised by its independent legal and financial advisors who are experienced in advising committees such as the Special Committee in similar transactions;
- the Special Committee held meetings regularly to consider and review the terms of the Merger Agreement and the Transactions;
- the condition that the “going private” proposal from Fang Holdings was conditioned on the approval of the Special Committee;
- the Special Committee and the Board had no obligation to recommend the Transactions;
- the Special Committee and the Board were fully informed about the extent to which the interests of the certain shareholders of the Company who are also members of the Buyer Group in the Merger differed from those of Unaffiliated Security Holders;
- no member of the Buyer Group nor any of their advisors participated in or sought to influence the deliberative process of the Special Committee;
- the Merger was unanimously approved by the Special Committee;
- the Merger Consideration, other terms and conditions of the Merger Agreement and the transactions contemplated by the Merger Agreement were the result of extensive negotiations between the Special Committee and its advisors on the one hand, and the Buyer Group and their advisors on the other hand;
- under the terms of the Merger Agreement, in certain circumstances, the Company is permitted to provide information to and participate in discussions or negotiations with persons making acquisition proposals, and the Board is permitted to withdraw or modify its recommendation of the Merger Agreement if the proposal constitutes a Superior Proposal under the Merger Agreement;
- the Company is able to, subject to compliance with the terms and conditions of the Merger Agreement, terminate the Merger Agreement prior to the completion of the Merger in order to accept an alternative acquisition agreement proposed by a third party that is a Superior Proposal. However, the Buyer Group acknowledges that the fact that they owned shares in the Company representing approximately 95% of the outstanding voting power and their ability to veto any other transaction at a shareholders’ meeting, and their expressed unwillingness to sell their stake in the Company to a third party, may have discouraged, and may in the future discourage, third parties from submitting alternative transaction proposals with terms and conditions, including price, that may be superior to the Merger;
- the availability of Dissenters’ Rights to Unaffiliated Security Holders who comply with all of the required procedures as provided under the Merger Agreement and Plan of Merger for exercising Dissenters’ Rights and subsequently comply with the relevant procedures and requirements of Section 238 of the Cayman Islands Companies Act for the exercise of Dissenters’ Rights, which allow such holders to seek an appraisal of the fair value of their Shares under the Cayman Islands Companies Act and to receive payment of the fair value of their Shares as determined by the Court; and
- the Merger Agreement requires Parent to pay a termination fee of US\$2,000,000, if the Merger Agreement is terminated under certain circumstances.

The Buyer Group believes that the Merger is procedurally fair to Unaffiliated Security Holders, notwithstanding the fact that they will not be entitled to vote to approve or disapprove the Merger Agreement and the Plan of Merger, in view of (i) the Special Committee’s approval of the terms of the Merger Agreement and the Plan of Merger; (ii) the fact that the Merger Agreement, the Plan of Merger and the consummation of the Transactions have been approved by the Board (other than Mr. Robert Ciemniak who abstained from voting); (iii) the fact that no shareholder vote is required for a short-form merger, such as the Merger, under the Cayman Islands Companies Act; and (iv) the fact that the Special Committee received an opinion from Roth Capital regarding the fairness, from a financial point of view, of the Per Share Merger Consideration to be received by the holders of the Shares (other than the Excluded Shares and Dissenting Shares) and Per ADS Merger Consideration to be received by the holders of the ADSs (other than ADSs representing the Excluded Shares).

The foregoing discussion of the information and factors considered and given weight by the Buyer Group in connection with its evaluation of the substantive and procedural fairness of the Merger to Unaffiliated

Security Holders is not intended to be exhaustive, but is believed to include all material factors considered by the Buyer Group. The Buyer Group found it impracticable to assign, and did not assign, relative weights to the foregoing factors considered in reaching its conclusions as to the substantive and procedural fairness of the Merger to Unaffiliated Security Holders. Rather, the Buyer Group made the fairness determinations after considering all of the foregoing as a whole.

Certain Financial Projections

The Company does not generally make public detailed financial forecasts or internal projections as to future performance, revenues, earnings, or financial condition. However, the Company's management provided financial projections for the fiscal years ending December 31, 2022 through December 31, 2025 (the "Management Projections") in connection with Roth Capital's financial analyses of the Merger. The Management Projections, which were based on the Company's management's estimates of the Company's future financial performance as of the date provided, were prepared by the Company's management for internal use by the Special Committee and for use by Roth Capital in its financial analysis.

The inclusion of the Management Projections should not be regarded as an indication that the Company, the Board, the Special Committee, or Roth Capital considered, or now considers, the Management Projections to be a reliable prediction of future results. No person has made or makes any representation or warranty to any person, including any shareholder of the Company, regarding the information included in the Management Projections.

The Management Projections were prepared by the Company's management in November 2022 based on certain assumptions that management then believed to be potentially achievable. Although the Management Projections were prepared in good faith by the Company's management, no assurance can be made regarding future events and actual results may be significantly higher or lower than forecasted by the Management Projections. The Management Projections also reflect assumptions as of their respective time of preparation as to certain business decisions that are subject to change. Although presented with numerical specificity, the Management Projections are based upon a variety of estimates and numerous assumptions made by management with respect to, among other matters, industry, economic, business performance, tax, regulatory, geopolitical, market, and financial conditions and the factors described in "Cautionary Note Regarding Forward-Looking Statements," all of which are difficult to predict, are subject to significant economic and competitive uncertainties, and are beyond the Company's control.

In preparing the Management Projections, the Company's management necessarily made certain assumptions about future financial factors affecting its business. The main assumptions underlying the Management Projections are:

- the Company would continue to operate as a standalone company and do not reflect any impact of the Proposed Transaction;
- the overall economy in China will remain stable;
- that there will be no material change in competition affecting the Company;
- there will be no major changes to relevant government policies and regulations relating to the Company's corporate structure, business and industry; and
- the global economy will continue to recover from COVID-19 pandemic and there is no material deterioration of the COVID-19 globally.

Furthermore, the Management Projections do not take into account any failure of the Merger to be completed and should not be viewed as reflective of management's expectations under those circumstances. In addition, because the Management Projections cover multiple years, such information by its nature becomes less reliable with each successive year. As a result, there can be no assurance that the estimates and assumptions made in preparing the Management Projections will prove accurate, that the projected results will be realized, or that actual results will not be significantly higher or lower than projected results. The Management Projections cannot, therefore, be considered a guaranty of future operating results, and this information should not be relied on as such.

Except to the extent required by law, the Company does not intend to update or otherwise revise the Management Projections to reflect circumstances existing after the date they were prepared or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying such prospective financial information are no longer appropriate. None of the Company or its affiliates, advisors, officers, directors, or representatives has made or makes any representation to any shareholder or other person regarding the ultimate performance of the Company compared to the information contained in the projections or that projected results will be achieved.

The Management Projections were not prepared with a view toward public disclosure, the published guidelines of the SEC regarding financial projections and forecasts, or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial projections and forecasts. Neither the Company's independent registered public accounting firm nor any other independent registered public accounting firm has examined, compiled, or otherwise performed any procedures with respect to the prospective financial information contained in the Management Projections and, accordingly, neither the Company's independent registered public accounting firm nor any other independent registered public accounting firm has expressed any opinion or given any other form of assurance on such information or its achievability, and assumes no responsibility for, and disclaims any association with, the prospective financial information.

The following tables set forth the Management Projections delivered by our management to Roth Capital on November 24, 2022, which were considered by the Special Committee in connection with its analysis of the Merger and Roth Capital in connection with its financial analyses of the Proposed Transaction and delivery of its opinion.

Note 1 Management believes that Chinese Real Estate Market will keep decreasing during Q1-Q2 2023 under COVID-19 impact and government policy. The turn around point might happen in Q3 – Q4 2023.

Note 2 Because most of the Company's long term business partners experienced operation and business difficulties to certain extent in 2022, Management started the "change client-base event", which means that Management needs to incur significant amount of resources and energy to build up relationship with new clients. Management expected an increase in the sales expense to develop the market.

Note 3 As a SAAS concept technology company, company will keep invest in its R&D activities in the future.

Roth Capital, as the Special Committee's financial advisor, reviewed with the Special Committee certain financial analyses that were based, in part, on the Management Projections summarized above. For additional information regarding the analyses by the Special Committee's financial advisor, see "Discussion Materials prepared by Roth Capital Partners, LLC for discussion with the Special Committee of the Board, dated as of December 22, 2022" filed as Exhibit (c)(2) to this Transaction Statement and "Special Factors — Opinion of the Special Committee's Financial Advisor."

The Management Projections are forward-looking statements. For information on factors that may cause the Company's future financial results to materially vary, see "Cautionary Note Regarding Forward-Looking

Statements” of this Transaction Statement and “Item 3. Key Information — D. Risk Factors” included in the Company’s Annual Report, which is incorporated by reference into this Transaction Statement.

Opinion of the Special Committee’s Financial Advisor

Pursuant to an engagement letter, dated October 11, 2022 (the “Engagement Letter”), the Special Committee retained Roth Capital to act as its financial advisor in connection with the Merger Agreement and, at the Special Committee’s request, to render an opinion to the Special Committee as to the fairness, from a financial point of view, of the Merger Consideration to be received by the holders of Shares (other than the Excluded Shares and Dissenting Shares) and holders of ADSs (other than ADSs representing the Excluded Shares) pursuant to the Merger Agreement is fair, from a financial point of view, to such holders.

On December 22, 2022, Roth Capital rendered its oral opinion, subsequently confirmed in writing, to the Special Committee that, as of such date, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations set forth in the opinion, that the Merger Consideration to be received by the holders of Shares (other than the Excluded Shares and Dissenting Shares) and holders of ADSs (other than ADSs representing the Excluded Shares) pursuant to the Merger Agreement was fair, from a financial point of view, to such holders.

The full text of Roth Capital’s written opinion, dated December 22, 2022, is attached to this proxy statement as Annex D and is incorporated by reference herein. Shareholders of the Company are urged to read the entire opinion carefully and in its entirety to learn about the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Roth Capital in rendering its opinion. The analysis performed by Roth Capital should be viewed in its entirety; none of the methods of analysis should be viewed in isolation when reaching a conclusion on whether the Merger Consideration was fair. The opinion addresses only the fairness of the Merger Consideration to be received by the holders of Shares (other than the Excluded Shares and Dissenting Shares) and holders of ADSs (other than ADSs representing the Excluded Shares) pursuant to the Merger Agreement, from a financial point of view, as of the date of the opinion, and does not address the merits of the Company’s underlying business decision to proceed with or effect the Merger or the likelihood of consummation of the Merger. Roth Capital expressed no opinion or recommendation to the Special Committee whether the Company should proceed with the Merger. Roth Capital’s opinion was directed to the Special Committee in connection with its consideration of the Merger Agreement and was not intended to be, and does not constitute, a recommendation to any shareholder as to how such shareholder should vote with respect to the Merger or any other matter.

Roth Capital did not express any opinion as to any such financial forecasts, estimates or forward-looking information or the assumptions on which they were based. In addition, with respect to such financial forecasts provided to and examined by Roth Capital, Roth Capital noted that projecting future results of any company, partnership, venture or asset is inherently subject to uncertainty.

In connection with its opinion, Roth Capital assumed and relied upon, without independent verification, the accuracy and completeness of all the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by Roth Capital. Roth Capital's opinion did not address any legal, regulatory, tax or accounting issues. In arriving at its opinion, Roth Capital assumed that the executed Merger Agreement would be in all material respects identical to the draft Merger Agreement reviewed by Roth Capital on December 21, 2022. Roth Capital relied upon and assumed, without independent verification, that (i) the representations and warranties of all parties set forth in the Merger Agreement and all related documents and instruments that were referred to therein were true and correct, (ii) each party to the Merger Agreement would fully and timely perform all of the covenants and agreements required to be performed by such party, (iii) the Merger Agreement would be consummated pursuant to the terms of the Merger Agreement without any waiver or amendments thereto or delay of any terms or conditions thereof, and (iv) all conditions to the consummation of the Merger Agreement would be satisfied without waiver by any party of any conditions or obligations thereunder. Additionally, Roth Capital assumed that in connection with the receipt of all the necessary regulatory or other approvals and consents required for the proposed Merger, no delays, limitations, conditions or restrictions would be imposed that would have a material adverse effect on the Company or the contemplated benefits of the Merger.

In arriving at its opinion, Roth Capital did not perform any appraisals or valuations of any specific assets or liabilities (fixed, contingent or other) of the Company and was not furnished or provided with any such appraisals or valuations. Without limiting the generality of the foregoing, Roth Capital undertook no independent analysis of any pending or threatened litigation, regulatory action, possible unasserted claims or other contingent liabilities to which the Company or any of their respective affiliates was a party or may be subject, and at the direction of the Special Committee and with its consent, Roth Capital's opinion made no assumption concerning, and therefore did not consider, the possible assertion of claims, outcomes or damages arising out of any such matters (other than to the extent set forth in the Merger Agreement or the financial information provided to Roth Capital by or on behalf of the Company).

Roth Capital's opinion was based upon the information available to it and facts and circumstances as they existed and were subject to evaluation on the date thereof; events occurring after the date thereof could materially affect the assumptions used in preparing Roth Capital's opinion. Roth Capital did not express any opinion as to the price at which the Company's common shares may trade following announcement of the Merger Agreement or at any future time. Roth Capital did not undertake to reaffirm or revise its opinion or otherwise comment upon any events occurring after the date thereof and expressly disclaimed any such obligation to update, revise or reaffirm its opinion subsequent to the date thereof.

Roth Capital's opinion addressed only the fairness, from a financial point of view and as of the date thereof, of the Merger Consideration to be received by holders of Shares in the Merger. Roth Capital's opinion did not express any view on any other aspect of the Merger, including, without limitation, the fairness of the Merger Consideration to the holders of any class of securities, creditors or other constituencies of the Company except the holders of Shares (other than the Excluded Shares and Dissenting Shares) and holders of ADSs (other than ADSs representing the Excluded Shares). In addition, Roth Capital did not express an

opinion about the fairness of the amount or nature of any compensation payable or to be paid to any of the officers, directors or employees of the Company, or any class of such persons, in connection with the Merger. The issuance of Roth Capital's opinion was approved by Roth Capital's fairness opinion committee.

- (1) Source: Capital IQ, excluding comps with EVs greater than \$10Bn. Projected financials based on median analyst estimates
- (2) The Company's shares outstanding, projected revenue and EBITDA provided by Management. Projected depreciation & amortization is derived by averaging D&A expenses of FY20 and FY21 for future periods. Diluted shares and ADS transaction price provided by management and per Proposal Letter, respectively. The Company's share price was \$0.78 USD as of 12/20/22 market close Enterprise Value = Market Cap + Debt + Preferred – Cash All EV/EBITDA multiples less than 0 or greater than 50 are considered "NM"

Roth Capital noted that, although the selected companies were used for comparison purposes, no business of any selected company was either identical or directly comparable to the Company's business. Accordingly, Roth Capital's comparison of selected companies to the Company and analyses of the results of such comparisons was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and the Company.

Roth Capital noted that the resulting EV to LTM revenue multiples at the Merger Consideration ranged between the twenty-fifth percentile and the sixty-sixth percentile and the EV to EBITDA multiples at the Merger Consideration were between the minimum and the twenty-fifth percentile of the various selected publicly traded comparable company multiples, respectively.

13-D Filings. Roth Capital reviewed and compared recent Schedule 13-D filings reported by the Company on April 30 and May 10, 2022, wherein both filings the agreed upon per ADS transaction price was \$0.95. A timeline for the transactions per the Schedule 13-D filings is summarized below:

Roth Capital noted that, although the selected transactions were used for comparison purposes, no business of any selected company was either identical or directly comparable to the Company's business. In addition, Roth Capital noted that the historical timing of precedent transactions can impact the comparability of such transactions. Accordingly, Roth Capital's comparison of selected companies to the Company and analyses of the results of such comparisons was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and the Company.

Roth Capital noted that the EV to LTM revenue and EV to LTM EBITDA multiples at the value of the Merger Consideration were between the minimum and the twenty-fifth percentile for such comparable transactions.

Discounted Cash Flow Analysis. Roth Capital performed a discounted cash flow analysis on the Company by calculating ranges of the estimated net present value of the unlevered, after-tax free cash flows that the Company was forecasted to generate from January 1, 2023 through fiscal year 2025. All of the information used in Roth Capital's analysis was based on publicly available sources and the financial projections provided by the Company's management. The following table sets forth the free cash flows and implied Equity Value calculations on a per share basis used in Roth Capital's analysis:

Notes to the table:

- (1) Assumes a valuation date of 01/01/23
- (2) NOPAT = EBIT x (1-Tax Rate), where Tax Rate = 23.9%; per Management-provided financials, LTM average
- (3) Roth Capital assumes the average of FY20 and FY21 depreciation expense as constant for future periods, and Capex equal to depreciation
- (4) Roth Capital assumes a year-over-year net working capital change equal to 5% of the change in revenue

In performing its discounted cash flow analysis, Roth Capital calculated ranges of the estimated present values of the Company's unlevered, after-tax free cash flows that the Company was forecasted to generate from January 1, 2023 to fiscal year 2025 by applying discount rates ranging from 17.8% to 21.8%, reflecting Roth Capital's estimates of the weighted-average cost of capital ("WACC"). The WACC was calculated by adding (a) the estimated market value of equity as a percentage of the total market value of the Company's capital multiplied by the Company's estimated cost of equity, and (b) the estimated market value of debt as a percentage of the total market value of the Company's capital multiplied by the Company's estimated after-tax market cost of debt. The estimated market value of the Company's debt and equity were calculated using the average debt to equity ratios of the comparable companies. The estimated cost of equity was calculated using the Capital Asset Pricing Model which took into account the betas of comparable companies, the risk-free rate, a historical equity market risk premium and a historical small capitalization risk premium, which risk premiums were sourced from the 2022 Kroll Cost of Capital Module. The Bank of America High Yield Index was used to estimate the Company's pre-tax cost of debt. The following table sets forth the Company's WACC calculation:

Leju Holdings Limited	LEJU
Urbanimmersive Inc.	TSXV:UI
e-Seikatsu Co., Ltd.	3796

Roth Capital calculated an Equity Value for the Company being sold in the Merger Agreement by calculating the ranges of estimated terminal value amounts for the Company by applying a range of terminal

growth rates of 2.0% to 4.0% to the estimated terminal cash flow of the Company being sold in the Merger. The range of terminal revenue multiples utilized in Roth Capital's discounted cash flow analysis was based on the revenue multiples of precedent transactions. The range of estimated present values of these estimated terminal value amounts was then calculated by applying discount rates ranging from 17.8% to 21.8%. Combining the total present value of the estimated unlevered free cash flows, the present value of the terminal values and net cash to achieve the financial projections resulted in the following range of implied equity value for the Company in the Merger:

	WACC					Implied Equity Value Per Share
	17.8%	18.8%	19.8%	20.8%	21.8%	
Perpetual Growth Percentage	2.00%	\$1.09	\$1.06	\$1.04	\$1.02	\$1.00
	2.50%	\$1.10	\$1.07	\$1.05	\$1.03	\$1.01
	3.00%	\$1.11	\$1.08	\$1.06	\$1.03	\$1.01
	3.50%	\$1.13	\$1.09	\$1.07	\$1.04	\$1.02
	4.00%	\$1.14	\$1.11	\$1.08	\$1.05	\$1.03
						\$1.00

Roth Capital noted that the Merger Consideration was at the low end of the range of the implied equity value per share of the Company based on the discounted cash flow analysis.

U.S. Listed Premiums Analysis. Roth Capital reviewed and compared U.S listed public company take-private closed transactions across all industries, from December 20, 2019 to December 20, 2022, that had publicly available data and that Roth Capital, in the exercise of its professional judgment, determined to be relevant. For each of the selected transactions, Roth Capital calculated and compared the resulting premiums in the transaction as a percentage of the share price one-day, one-week, and one-month prior to announcement

of a transaction. Such premiums for the selected transactions were based on publicly available information at the time of the relevant transaction. The selected transactions analyzed are set out in the following tables:

Global Majority Shareholder Purchasing Remaining Shares Premiums Analysis. Roth Capital reviewed and compared public company take-private closed transactions related to the majority shareholder purchasing

remaining shares across all exchanges and spanning all industries, from December 20, 2019 to December 20, 2022, that had publicly available data and that Roth Capital, in the exercise of its professional judgment, determined to be relevant. For each of the selected transactions, Roth Capital calculated and compared the resulting premiums in the transaction as a percentage of the share price one-day, one-week and one-month prior to announcement of the transaction. Such premiums for the selected transactions were based on publicly available information at the time of the relevant transaction. The selected transactions analyzed are set out in the following table:

Roth Capital noted that, although the selected transactions were used for comparison purposes, no business of any selected company was either identical or directly comparable to the Company's business. Accordingly, Roth Capital's comparison of selected companies to the Company and analyses of the results of such comparisons was not purely mathematical, but instead necessarily involved complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the relative values of the selected companies and the Company.

Roth Capital noted that the one-day and one-week prior to announcement premiums at the value of the Merger Consideration were between the seventy-fifth percentile and maximum premium ranges, while the one-month prior to announcement premium at the value of the Merger Consideration was between the sixty-sixth and seventy-fifth percentile premium ranges for the comparable transactions.

General.

The description set forth above does not contain a complete description of the analyses performed by Roth Capital, but does summarize the material analyses performed by Roth Capital in rendering its opinion. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Roth Capital believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses or of the summary, without considering the analyses as a whole or all of the factors included in its analyses, would create an incomplete view of the processes underlying the analyses set forth in the Roth Capital opinion. In arriving at its opinion, Roth Capital considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis. Instead, Roth Capital made its determination as to fairness on the basis of its experience and financial judgment after considering the results of all of its analyses. The fact that any specific analysis has been referred to in the summary above first is not meant to indicate that this analysis was given greater weight than any other analysis. In addition, the ranges of valuations resulting from any particular analysis described above should not be taken to be Roth Capital's view of the actual value of the Company.

As described above, Roth Capital's opinion was only one of many factors, including those listed by Roth Capital in Other Data and Considerations, considered by the Special Committee and the board of directors of the Company in making its determination to approve the Merger. Roth Capital was not requested to and did not solicit any expressions of interest from any other parties with respect to any acquisition of the Company or any of its assets or any other business combination with the Company.

Roth Capital has acted as financial advisor to the Special Committee in connection with the Merger and will receive a fee for its services. No portion of its fee is contingent upon the consummation or success of the Merger or the conclusions set forth in its opinion. Pursuant to the Engagement Letter, the Company agreed to pay Roth Capital a total fee of US\$287,500 consisting of (i) a non-refundable retainer fee of US\$12,500 payable within 5 business days of the execution of the Engagement Letter, and (ii) a fairness opinion fee of US\$275,000, with the upfront payment of US\$12,500 payable within 5 business days of the execution of the Engagement Letter, and the remaining of which is payable within 5 business days of the delivery of Roth Capital's written opinion to the Special Committee. In addition, the Company has agreed to reimburse certain expenses of Roth Capital (subject to a maximum cap of US\$25,000) and to indemnify Roth Capital for certain liabilities.

Roth Capital is a full-service securities firm engaged in securities trading and brokerage activities, as well as providing investment banking and other financial services. Roth Capital may also seek to provide financial advisory and financing services to the Company and its affiliates in the future and would expect to receive fees for the rendering of such services. Roth Capital acted as a financial advisor to the Special Committee in connection with the Merger Agreement and received a cash fee for its services, which fee was contingent upon the public announcement of the Merger Agreement. These fees were determined by Roth Capital and proposed to the Special Committee. The Company has agreed to indemnify Roth Capital against certain liabilities and reimburse Roth Capital for certain expenses in connection with its services. In the ordinary course of business, Roth Capital and its affiliates may acquire, hold or sell, for Roth Capital's and its affiliates' own accounts and for the accounts of customers, equity, debt and other securities and financial instruments (including bank

loans and other obligations) of the Company and other parties to the Merger, and, accordingly, may at any time hold a long or a short position in such securities.

Buyer Group's Purposes and Reasons for the Merger

Under the SEC rules governing “going private” transactions, each member of the Buyer Group is deemed to be engaged in a “going private” transaction and required to express its reasons for the Merger to Unaffiliated Security Holders.

The Buyer Group is making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act. For the Buyer Group, the purpose of the Merger is to enable the Buyer Group to acquire 100% ownership and control of the Company in a transaction in which the holders of Shares (other than the Excluded Shares and the Dissenting Shares) and ADSs (other than ADSs representing the Excluded Shares) will be cashed out in exchange for US\$1.00 per ADS or Share, so that the Buyer Group will benefit from the rewards and bear the risks of sole ownership of the Company after the Merger, including any future earnings and growth of the Company as a result of improvements to the Company's operations or acquisitions of other businesses. In addition, the Merger will allow members of the Buyer Group which are currently shareholders of the Company to maintain a significant portion of their investment in the Company through their respective indirect ownership in Parent as described under “Special Factors — Interests of Certain Persons in the Merger — Interests of the Buyer Group” and at the same time enable certain members of the Buyer Group to maintain their management leadership with the Company.

The Buyer Group believes that the operating environment has changed significantly since the Company's initial public offering, and the Company faces a number of challenges in the marketplace, including, among other things:

- the factors noted under the heading “Risk Factors” in the Company's Annual Report incorporated by reference hereto;
- companies that primarily operate in China whose securities are listed on U.S. securities exchanges may be subject to additional costs and burdens to comply with various proposals (if enacted) relating to changes in listing and compliance rules in the future; and
- the potential adverse effects on the Company's business, financial condition and results of operations caused by the widespread weakness of the real estate industry and the recent economic slowdown in the PRC and globally and challenges in the macroeconomic environment.

These changes have increased the uncertainty and volatility inherent in the business models of companies similar to the Company. As a result, the Buyer Group is of the view that there is potential for considerably greater short- and medium-term volatility in the Company's earnings. Responding to current market challenges will require tolerance for volatility in the performance of the Company's business, and willingness to make business decisions focused on improving the Company's long-term profitability. The Buyer Group believes that these strategies would be most effectively implemented in the context of a private company structure. Following the Merger, as a privately held company, the Company's management will have greater flexibility to focus on improving long-term profitability without the pressures exerted by the U.S. public market's valuation of the Company and the emphasis on short-term period-to-period performance.

As a privately held company, the Company will be relieved of many of the other expenses, burdens and constraints imposed on companies that are subject to the public reporting requirements under the U.S. federal securities laws, including the Exchange Act and the Sarbanes-Oxley Act of 2002. The Company will no longer be required to publicly disclose a considerable amount of business information which may reduce the Company's competitive advantage or negotiation leverage against the Company's competitors, customers, lenders or vendors, as the case may be. The need for the management of the Company to be responsive to Unaffiliated Security Holders' concerns and to engage in an ongoing dialogue with Unaffiliated Security Holders can distract management's time and attention from the effective operation and improvement of the business.

The Buyer Group decided to undertake the going private transaction at this time because it wants to take advantage of the benefits of the Company being a privately held company, as described above. In the course of

considering the going-private transaction, the Buyer Group did not consider alternative transaction structures, because the Buyer Group believed that a short-form merger under Section 233(7) of the Cayman Islands Companies Act, such as the Merger, is the most efficient way for the Buyer Group to acquire full ownership of the Company.

Effects of the Merger on the Company

Memorandum and Articles of Association; Management

The memorandum and articles of association in the form of Annex 2 to the Plan of Merger that is attached to the Merger Agreement, which in turn is attached to this Transaction Statement as Exhibit (d)(1), will be the memorandum and articles of association of the Company, as the Surviving Company, as of and after the Effective Time. In addition, the directors of Merger Sub immediately prior to the Effective Time will become the directors of the Surviving Company at the Effective Time. The executive officers of the Company immediately prior to the Effective Time will continue to be the executive officers of the Company following the completion of the Merger.

Company Privately Held; Delisting from NASDAQ; Termination of SEC Registration;

The Merger is a going-private transaction pursuant to which Merger Sub will be merged with and into the Company, with the Company continuing as the Surviving Company resulting from the Merger. After the Merger is completed, the Company will be a privately held company and all of its issued shares will be owned directly by Parent. As a result of the Merger, ADSs will no longer be listed on NASDAQ and the Company will cease to be a publicly traded company. Following the Effective Time, the Company will file a Form 15 with the SEC, and 90 days after such filing, or such longer period as may be determined by the SEC, the registration of the Shares and ADSs under the Exchange Act will be terminated.

Primary Benefits and Detriments of the Merger

Benefits of the Merger to Unaffiliated Security Holders

Benefits of the Merger to Unaffiliated Security Holders include:

- their receipt following the completion of the Merger of US\$1.00 per Share or ADS, in cash, in exchange for the cancellation of their Shares and ADSs, representing a premium of approximately 42.9% to the closing price of the ADSs on August 22, 2022, the last trading day prior to the Company's announcement of its receipt of the preliminary non-binding "going private" proposal from Fang Holdings on August 23, 2022, and premiums of approximately 46.2% and 33.1% to the volume-weighted average closing price of the ADSs during the last 30 trading days and 60 trading days, respectively, prior to and including August 22, 2022; and
- the avoidance of the risk associated with any possible future decrease in the revenues, profitability, or overall value following the Merger, as well as the uncertainties and risks associated with growing existing and new businesses of the Company.

Detriments of the Merger to Unaffiliated Security Holders

Detriments of the Merger to Unaffiliated Security Holders include:

- they will no longer have any interest in the Company and as a result will not benefit from any possible future growth in the revenues, profitability, or overall value of the Company, and will not be entitled to receive any dividends that the Company might pay on its equity shares in the future; and
- the receipt of cash pursuant to the Merger or through the exercise of Dissenters' Rights will generally be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under other applicable tax laws. As a result, a U.S. Holder (as defined below) of the Shares or ADSs who receives cash in exchange for all of such U.S. Holder's Shares or ADSs in the Merger generally will be required to recognize gain as a result of the Merger for U.S. federal income tax purposes if the

amount of cash received exceeds such U.S. Holder's aggregate adjusted tax basis in such Shares or ADSs. See "Special Factors — Material U.S. Federal Income Tax Consequences."

Benefits of the Merger to the Company's Directors and Executive Officers

Benefits of the Merger to the Company's directors and executive officers include:

- continued indemnification rights, rights to advancement of fees, and directors and executive officers liability insurance, which will continue to be provided to the existing directors and officers of the Company following the completion of the Merger. See "Summary — the Merger Agreement and the Plan of Merger — Directors' and Officers' Indemnification and Insurance" of this Transaction Statement;
- the assumption by Parent of Company Options and Company Restricted Shares held by certain directors and executive officers of the Company which would enable them to indirectly benefit from any future growth in the revenues, profitability, or overall value of the Company;
- the compensation of US\$10,000 of each member of the Special Committee in exchange for his services in such capacity; and
- the planned continuation of service of the executive officers of the Company in positions that are substantially similar to their current positions.

Detriments of the Merger to the Company's Directors and Executive Officers

Detriments of the Merger to the Company's directors and executive officers include:

- directors and executive officers who currently hold ADSs or Shares will no longer hold those ADSs or Shares and as a result will not benefit from any future growth in the revenues, profitability, or overall value of the Company, and will not be entitled to receive any dividends that the Company might pay on its equity shares in the future; and
- directors' and executive officers' receipt of cash pursuant to the Merger will generally be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under other applicable tax laws.

Benefits of the Merger to the Buyer Group

Benefits of the Merger to the Buyer Group include the following:

- Parent, as the beneficial owner of all of the Company's outstanding equity after the Merger, will benefit from any future growth in the revenues, profitability, or overall value of the Company, and will be entitled to receive all of any dividends that the Company might pay on its equity shares in the future;
- the Company will have more freedom to focus on long-term strategic planning;
- Parent and the Company will be able to adjust strategies for the Company, including expenditures and exploring new or different initiatives, without the public market scrutiny and analysts' quarterly expectations to which the Company is currently subject as a stand-alone publicly traded company; and
- the costs and administrative burdens associated with the Company's status as a U.S. publicly traded company, including the costs associated with regulatory filings and compliance requirements, will be reduced.

Detriments of the Merger to the Buyer Group

Detriments of the Merger to the Buyer Group include the following:

- it will be subject to the risks of the Company's experiencing decreased revenues and profitability in the future;
- risks associated with any legal or regulatory proceedings against the Company will be borne by the Buyer Group; and

- the benefits of there being a trading market for the Company's shares of equity capital, including the use of the Company's publicly traded equity as currency in acquisitions or to incentivize key employees, will no longer be available.

Effect of the Merger on the Company's Net Book Value and Net Income

Pursuant to the Support Agreement, the Rollover Shareholders have irrevocably agreed to contribute their respective Rollover Shares to Merger Sub prior to the completion of the Merger in exchange for newly issued ordinary shares of Parent, such that Merger Sub will directly hold 51,956,963 Class A Ordinary Shares and 23,636,706 Class B Ordinary Shares immediately prior to the effective time of the Merger, collectively representing approximately 95% of the voting power of the Shares exercisable in a general meeting of the Company in aggregate.

Upon completion of the Merger, Parent will have beneficial ownership of 100% of the outstanding share capital in the Company. The table below sets out the direct or indirect interest in the Company's net book value and net income for Parent before and after the Merger, based on the historical net book value as of September 30, 2022 and net income attributable to the Company for the quarter ended September 30, 2022.

(1) Ownership percentages are based on 68,327,392 Class A Ordinary Shares and 23,636,706 Class B Ordinary Shares issued and outstanding as of February 24, 2023 (for purposes of this calculation, including the outstanding and vested Company Restricted Shares, but excluding the Shares issuable upon the exercise of the outstanding Company Options).

(2) Ownership percentages are based on 91,964,098 shares of Parent outstanding immediately after the Closing of the Merger (for purposes of this calculation, including the assumed restricted shares, but excluding the shares issuable upon the exercise of the assumed options).

Plans for the Company after the Merger

After the Effective Time, the Buyer Group anticipates that the Company will continue to conduct its operations substantially as they are currently being conducted, except that the Company will cease to be a publicly traded company and will instead be a wholly owned subsidiary of Parent. Following the completion of the Merger and the anticipated deregistration of the Class A Ordinary Shares and the ADSs, the Company will no longer be subject to the Exchange Act and the compliance and reporting requirements of NASDAQ and the related direct and indirect costs and expenses, and may experience positive effects on profitability as a result of the elimination of such costs and expenses.

The Buyer Group has advised the Company that, except as set forth in this Transaction Statement and the transactions already under consideration by the Company, the Buyer Group does not have any current

plans, proposals or negotiations that relate to or would result in an extraordinary corporate transaction involving the Company's corporate structure, business, or management, such as a merger, reorganization, liquidation, relocation of any material operations, or sale or transfer of a material amount of the Company's assets. However, subsequent to the consummation of the Merger, the Surviving Company's management and board of directors will continuously evaluate and review the Surviving Company's entire business and operations from time to time, and may propose or develop plans and proposals, including (i) any of the foregoing actions and any actions to address the challenges referred to in "Specific Factors — Reasons for the Merger and Position of the Special Committee and the Board" above, and (ii) the disposition or acquisition of material assets or other extraordinary transactions, including the possibility of relisting the Surviving Company or a substantial part of its business on another internationally recognized stock exchange, in each case, which they consider to be in the best interests of the Surviving Company and its shareholders. The Buyer Group expressly reserves the right to make any changes they deem appropriate to the operation of the Surviving Company in light of such evaluation and review as well as any future developments.

After the Effective Time, the directors of Merger Sub immediately prior to the Effective Time of the Merger will become the initial directors of the Company, and the officers of the Company immediately prior to the Effective Time of the Merger will become the initial officers of the Company, in each case, unless otherwise determined by Parent and until their respective successors are duly elected or appointed and qualified or until the earlier of their death, resignation or removal in accordance with the memorandum and articles of association of the Company and the applicable law.

Alternatives to the Merger

The Board did not independently determine to initiate a process for the sale of the Company. The Special Committee was formed in response to the Board's receipt on August 23, 2022 of the Original Proposal from Fang Holdings to acquire all of the outstanding Shares of the Company not owned by Fang Holdings. The Special Committee noted that (i) the Original Proposal had been publicly announced on August 23, 2022 and was therefore known to the market in general, and would continue to be known to the market through and after the execution of the Merger Agreement; and (ii) the Rollover Shareholders entered into the Support Agreement, pursuant to which the Rollover Shareholders have irrevocably agreed to contribute their respective Shares in the Company to Merger Sub prior to the Closing in exchange for newly issued ordinary shares of Parent, such that Merger Sub will directly hold 51,956,963 Class A Ordinary Shares and 23,636,706 Class B Ordinary Shares immediately prior to the Effective Time, collectively representing approximately 95% of the voting power of the Shares exercisable in a general meeting of the Company in aggregate. Taking these considerations into account, the Special Committee decided that reaching out to third parties to assess their interest in an alternative transaction would be futile and would not be in the best interests of the Company or Unaffiliated Security Holders. Since the Company's receipt of the Original Proposal on August 23, 2022, the Company has not received any offer from any third party for a merger or consolidation of the Company with another company, the sale or transfer of all or substantially all of the Company's assets, or the purchase of all of the Company's Shares, or a sufficient number of Shares to enable such third party to exercise control of or significant influence over the Company.

The Special Committee also considered the advisability of rejecting the Proposal and allowing the Company to remain as a public traded company. However, based on the considerations set forth in "Special Factors — Reasons for the Merger and Position of the Special Committee and the Board," the Special Committee concluded that remaining as a public company would be less favorable than the Merger as a means to enhance the value of Unaffiliated Security Holders' interests in the Company.

Effects on the Company if the Merger Were Not Completed

The Company is not currently aware of any reason why the Merger will not be completed as contemplated by the Merger Agreement. If the Merger were not completed for any reason, however, the holders of Shares (other than the Excluded Shares and the Dissenting Shares) and ADSs (other than ADSs representing the Excluded Shares) would not receive the Per ADS Merger Consideration or Per Share Merger Consideration that is contemplated by the Merger Agreement and the Plan of Merger. Instead, the Company would remain a publicly traded company and ADSs would continue to be listed and traded on NASDAQ for so long as the Company continued to meet NASDAQ's listing requirements. Unaffiliated Security Holders would therefore

continue to be subject to similar risks and opportunities as they currently are with respect to their ownership of ADSs and the Shares. The effect of these risks and opportunities on the future value of Unaffiliated Security Holders' ADSs and the Shares cannot be predicted with any certainty. There is also a risk that the market price of ADSs would decline if the Merger were not completed, based on an assumption that the current market price reflects an expectation on the part of investors that the Merger will be completed.

If the Merger were not completed for any reason, the Board could be expected from time to time thereafter to evaluate and review the business, operations, dividend policy, and capitalization of the Company and make such changes as it deemed appropriate. If the Merger were not completed for any reason, it is possible that no other comparable transaction acceptable to the Company would be offered, and that the Company's business, prospects, and results of operations would be adversely affected.

Financing of the Aggregate Merger Consideration and Related Expenses

The Company and the Buyer Group estimate that the total amount of funds necessary to complete the transactions contemplated by the Merger Agreement, including (i) the cash payment of the Merger Consideration to the holders of the Shares (other than the Excluded Shares and Dissenting Shares) and holders of the ADSs (other than ADSs representing the Excluded Shares), and (ii) payment of fees and expenses in connection with the Merger, is approximately US\$16.0 million, assuming no exercise of Dissenters' Rights by shareholders of the Company. In calculating this amount, the Company and the Buyer Group did not consider the value of the Excluded Shares, which will be cancelled for no consideration pursuant to the Merger Agreement.

The Merger and the related transactions are expected to be funded through cash contributions contemplated by the Equity Commitment Letter. However, the obligations of Parent and Merger Sub under the Merger Agreement, including the obligation to pay the Merger Consideration, are not subject to any financing condition.

As of the date of this Transaction Statement, there are no alternative financing arrangements or plans in place to obtain the funds necessary for the consummation of the Merger and the other transactions contemplated by the Merger Agreement.

Interests of Certain Persons in the Merger

The Buyer Group and the Company's directors and executive officers have interests in the Merger, including financial interests, that are different from the interests of Unaffiliated Security Holders. The Special Committee and the Board were aware of such interests and considered them in reaching their decisions to authorize and approve the Merger Agreement, the Plan of Merger and the related transactions contemplated by the Merger Agreement.

Interests of the Buyer Group

Immediately after the completion of the Merger, the Buyer Group will beneficially own 100% of the equity interests in the Surviving Company. Each member of the Buyer Group will directly or indirectly enjoy the benefits from any future earnings and growth of the Company after the Merger which, if the Company is successfully managed, could result in an increase in the value of their investments in the Company. The Buyer Group will also bear the corresponding risks of any possible decreases in the future earnings, growth or value of the Company. Unaffiliated Security Holders will not be able to enjoy any such future benefits, but also will not bear the burden of any such future losses. As there will be no public trading market for the Surviving Company's shares, members of the Buyer Group will have no certainty of any future opportunity to sell such shares at an attractive price, nor any certainty that any dividend paid by the surviving company could be sufficient to recover their respective investments in the Company.

The Merger may also provide additional means to enhance shareholder value for the Buyer Group, including improved profitability due to the elimination of the expenses associated with public company reporting and compliance. The Company has estimated that no longer being subject to such requirements will result in a saving of direct costs of approximately US\$2 million for the first year following the completion of the Merger, and commensurate cost savings thereafter. The Surviving Company will become the direct

beneficiary of such cost savings on a recurring basis and members of the Buyer Group will become the indirect beneficiaries thereof. The Merger may also increase flexibility and responsiveness in management of the business to achieve growth and respond to competition without the restrictions of short term earnings comparisons, and may provide additional means for making liquidity available to the Buyer Group, such as through dividends or other distributions.

Interests of the Company's Directors and Executive Officers

See “Summary — Interests of the Company's Directors and Executive Officers in the Merger.”

The table below sets forth, as of the date of this Transaction Statement, for each director and executive officer of the Company, (a) the number of Shares owned excluding the Shares underlying the Company Options and Company Restricted Shares and Rollover Shares, (b) the cash payment that will be made in respect of such Shares at the Effective Time, (c) the total number of Company Options granted under the Share Incentive Plan, (d) the exercise price of the Company Options granted under the Share Incentive Plan, (e) the cash payment that will be made in respect of the Company Options (assuming he or she has elected to receive cash with respect to the Company Options in accordance with the Merger Agreement and in all cases before applicable withholding taxes), (f) the total number of the Company Restricted Shares granted under the Share Incentive Plan, (g) the cash payment that will be made in respect of the Company Restricted Shares (assuming he or she has elected to receive cash with respect to the Company Restricted Shares in accordance with the Merger Agreement and in all cases before applicable withholding taxes) pursuant to the Merger Agreement, and (h) the total cash payment that will be made in respect of the outstanding Shares, Company Options and Company Restricted Shares held by each director and executive officer of the Company (assuming he or she has elected to receive cash with respect to the Company Options and Company Restricted Shares in accordance with the Merger Agreement and in all cases before applicable withholding taxes) pursuant to the Merger Agreement. Related Party Transactions

The information in “Item 7. Major Shareholders and Related Party Transactions — Related Party Transactions” from the Company's Annual Report is incorporated by reference herein.

Fees and Expenses

Fees and expenses incurred or to be incurred by the Company and the Buyer Group in connection with the Merger are estimated at the date of this Transaction Statement and set forth in the table below. Such fees are subject to change pending completion of the Merger.

Description	Amount
Legal fees and expenses	US\$ 829,495
Financial advisory fees and expenses	US\$ 312,500
Special Committee fees	US\$ 20,000
Filing fees	US\$ 1,634
Miscellaneous fees and expenses	US\$ 10,000
Total	US\$1,173,629

These fees and expenses will not reduce the amount of the aggregate Merger Consideration that will be received by the holders of Shares (other than the Excluded Shares and the Dissenting Shares) and ADSs (other than ADSs representing the Excluded Shares). The party incurring any costs and expenses in connection with the Merger will pay those costs and expenses. The Company will pay all costs and expenses incurred by itself or the Special Committee in connection with the Merger, including legal fees and expenses, financial advisory fees and expenses, and any other miscellaneous fees and expenses. The Company will also pay the fees to be paid to the Special Committee in connection with the Merger.

Litigation Related to the Merger

The Company and the Buyer Group are not aware of any legal proceedings challenging the Merger Agreement, the Plan of Merger, the Merger, or any of the related transactions.

Accounting Treatment of the Merger

Upon the completion of the Merger, the Company no longer be a publicly traded company. The Merger is expected to be accounted for as a business combination in accordance with Accounting Standards Codification 805 “Business Combinations.”

Regulatory Matters

The Company and the Buyer Group do not believe that any material regulatory approvals, filings, or notices are required in connection with the Merger other than (i) the filings and notices required under the U.S. federal securities laws, (ii) the giving of the Plan of Merger to every registered shareholder of the Company as set out in the Merger Agreement and Plan of Merger and, in any event, at least 20 days prior to the Effective Time, (iii) the registration of the Plan of Merger and supporting documentation as specified in the Cayman Islands Companies Act with the Registrar of Companies of the Cayman Islands, (iv) the giving of a copy of the certificate of merger to the shareholders and creditors of each of the Company and Merger Sub, and (v) notification of the Merger being published in the Cayman Islands Government Gazette.

No Shareholder Vote Required to Authorize the Plan of Merger and the Merger

Merger Sub will hold at least 90% of the total voting power in the Company prior to the Effective Time pursuant to the Support Agreement and accordingly the Merger will be a “short-form” merger between a parent company and one of its subsidiary companies (as those terms are defined in the Cayman Islands Companies Act) in accordance with Part XVI and in particular Section 233(7) of the Cayman Islands Companies Act. A “short-form” merger does not require the vote or approval of shareholders of either the Company or Merger Sub if a copy of the Plan of Merger is given to every registered shareholder of the Company unless such shareholder agrees otherwise. Therefore, the shareholders of the Company will not have the opportunity to vote on the Merger.

Dissenters' or Appraisal Rights

As the Merger will constitute a “short-form” merger pursuant to section 233(7) of the Cayman Islands Companies Act, no shareholder vote on the Merger will take place.

On January 28, 2021, the Financial Services Division of the Grand Court of the Cayman Islands (the “Court”) delivered a judgment at first instance (*In the matter of Changyou.com Limited (28 January 2021, FSD 120 of 2020 (ASCJ))*) in which the Court determined that Dissenters' Rights are available in a short-form merger notwithstanding the lack of statutory procedure by which such rights might be exercised (the “ASCJ Judgment”). The ASCJ Judgment was confirmed by the Court of Appeal of the Cayman Islands on 16 September 2022 (*In the matter of Changyou.com Limited (16 September 2022, CICA (Civil) Appeal No 6 of 2021 (FSD 120 of 2020 (ASCJ))*) (together with the ASCJ Judgment, the “Judgment”), whereby the Court of Appeal of the Cayman Islands further determined that Section 238 of the Companies Act must be read as to allow Dissenters' Rights in a “short-form” merger.

According to the Judgment, in order to give effect to the right for any Dissenting Shareholder to exercise its Dissenters' Rights and to seek a fair value appraisal for its Dissenting Shares under Section 238(1) of the Cayman Islands Companies Act:

- (a) the Company shall cause a form of final version of the Plan of Merger to be delivered to each registered shareholder of the Company in accordance with Section 233(7) of the Cayman Islands Companies Act;
- (b) a shareholder who wishes to exercise its Dissenters' Right must, immediately after the date on which the Plan of Merger is given to the shareholder, give to the Company its Written Objection, in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act;
- (c) within twenty (20) days immediately following the date on which the Plan of Merger is filed with the Registrar of Companies of the Cayman Islands, the Company shall give a Notification of Filing to each shareholder who has made a Written Objection pursuant to sub-paragraph (b) above;
- (d) each such shareholder who elects to dissent may do so by delivering a Dissent Notice to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act, within twenty (20) days immediately following the date on which the Notification of Filing is given; and
- (e) the provisions of Sections 238(6) to 238(16) of the Cayman Islands Companies Act shall apply to the treatment of each Dissenting Share in relation to which a valid Dissent Notice has been served.

In line with the procedure set forth in the Judgment, shareholders who elect to exercise Dissenters' Rights will have the right to receive payment of the fair value of their Shares in accordance with Section 238 of the Cayman Islands Companies Act if the Merger is consummated, but only if they (i) give to the Company, within seven (7) days of the date on which the Plan of Merger is given to such shareholder, a Written Objection in accordance with Sections 238(2) and (3) of the Cayman Islands Companies Act, and (ii) deliver a Dissent Notice to the Company in accordance with Section 238(5) of the Cayman Islands Companies Act within 20 days immediately following the date on which such shareholder has received from the Company a written notice of the filing of the Plan of Merger with the Registrar of Companies of the Cayman Islands by the Company. The fair value of your Shares as determined in accordance with the provisions of Section 238 of the Cayman Islands Companies Act could be more than, the same as, or less than the Merger Consideration you would receive pursuant to the Merger Agreement and Plan of Merger if you do not exercise Dissenters' Rights with respect to your Shares.

ADS HOLDERS WILL NOT HAVE THE RIGHT TO DISSENT FROM THE MERGER AND RECEIVE PAYMENT OF THE FAIR VALUE OF THE CLASS A ORDINARY SHARES UNDERLYING THEIR ADSS. THE ADS DEPOSITARY WILL NOT EXERCISE OR ATTEMPT TO EXERCISE ANY DISSENTERS' RIGHTS WITH RESPECT TO ANY OF THE CLASS A ORDINARY SHARES THAT IT HOLDS, EVEN IF AN ADS HOLDER REQUESTS THE ADS DEPOSITARY TO DO SO. ADS HOLDERS WISHING TO EXERCISE DISSENTERS' RIGHTS MUST SURRENDER THEIR ADSS TO THE ADS DEPOSITARY, PAY THE ADS DEPOSITARY'S FEES REQUIRED FOR THE CANCELATION OF THE ADSS, AND PROVIDE INSTRUCTIONS FOR THE REGISTRATION OF

THE CORRESPONDING CLASS A ORDINARY SHARES AND BECOME REGISTERED HOLDERS OF SUCH CLASS A ORDINARY SHARES WITHIN TWENTY DAYS AFTER DELIVERY OF THE PLAN OF MERGER TO THE ADS DEPOSITARY (AS THE REGISTERED HOLDER OF EACH CLASS A ORDINARY SHARE THAT IS REPRESENTED BY ADSS). THEREAFTER, SUCH FORMER ADS HOLDERS MUST COMPLY WITH THE PROCEDURES AND REQUIREMENTS FOR EXERCISING DISSENTERS' RIGHTS WITH RESPECT TO THE CLASS A ORDINARY SHARES AS SET OUT IN THE MERGER AGREEMENT AND PLAN OF MERGER AND OTHERWISE UNDER SECTION 238 OF THE CAYMAN ISLANDS COMPANIES ACT. IF THE MERGER IS NOT CONSUMMATED, THE COMPANY WILL CONTINUE TO BE A PUBLIC COMPANY IN THE UNITED STATES AND ADSS WILL CONTINUE TO BE LISTED ON THE NASDAQ. THE SHARES ARE NOT LISTED AND CANNOT BE TRADED ON ANY STOCK EXCHANGE OTHER THAN THE NASDAQ, AND IN SUCH CASE ONLY IN THE FORM OF ADSS. AS A RESULT, IF A FORMER ADS HOLDER HAS CONVERTED HIS, HER OR ITS ADSS TO SHARES IN ORDER TO EXERCISE DISSENTERS' RIGHTS AND THE MERGER IS NOT CONSUMMATED AND SUCH FORMER ADS HOLDER WISHES TO BE ABLE TO SELL HIS, HER OR ITS SHARES ON A STOCK EXCHANGE, SUCH FORMER ADS HOLDER WILL NEED TO DEPOSIT HIS, HER OR ITS SHARES INTO THE COMPANY'S ADS PROGRAM FOR THE ISSUANCE OF THE CORRESPONDING NUMBER OF ADSS, SUBJECT TO THE TERMS AND CONDITIONS OF APPLICABLE LAW AND THE DEPOSIT AGREEMENT, INCLUDING, AMONG OTHER THINGS, PAYMENT OF RELEVANT FEES OF THE ADS DEPOSITARY FOR THE ISSUANCE OF ADSS, APPLICABLE SHARE TRANSFER TAXES (IF ANY), AND RELATED CHARGES PURSUANT TO THE DEPOSIT AGREEMENT. FOR THE AVOIDANCE OF DOUBT, THE COMPANY WILL IN ALL CASES CONSIDER THE DATE ON WHICH THE PLAN OF MERGER IS DELIVERED TO THE ADS DEPOSITARY (AS THE REGISTERED HOLDER OF EACH CLASS A ORDINARY SHARE THAT IS REPRESENTED BY ADSS) TO BE THE FIRST DAY OF THE DISSENT PERIOD WITH REGARD TO ALL CLASS A ORDINARY SHARES REPRESENTED BY ADSS. ACCORDINGLY, TO THE EXTENT THAT ANY ADS HOLDER ELECTS TO SURRENDER ITS ADSS TO THE ADS DEPOSITARY SUBSEQUENT TO SUCH PLAN OF MERGER DELIVERY DATE, THE FIRST DAY OF THE DISSENT PERIOD WITH RESPECT TO SUCH CLASS A ORDINARY SHARES SHALL REMAIN THE DATE ON WHICH THE PLAN OF MERGER WAS DELIVERED TO THE ADS DEPOSITARY (AND, FOR SUCH PURPOSES, THE ACTUAL DATE ON WHICH SUCH ADS HOLDER BECOMES THE REGISTERED HOLDER OF THE RELEVANT CLASS A ORDINARY SHARES SHALL BE DISREGARDED).

A copy of Section 238 of the Cayman Islands Companies Act is attached to this Transaction Statement as Exhibit (f)(2) for the information of Unaffiliated Security Holders. Unaffiliated Security Holders are urged to seek their own advice on Part XVI of the Cayman Islands Companies Act from a licensed Cayman Islands law firm.

Material U.S. Federal Income Tax Consequences

The following is a general summary of certain material U.S. federal income tax considerations applicable to U.S. Holders (as defined below) arising from and relating to the receipt of Merger Consideration in exchange for Shares or ADSs. This summary is based upon the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), applicable U.S. Treasury Regulations, judicial authority and administrative interpretations, all as in effect on the date of this Transaction Statement, and which are subject to change, possibly with retroactive effect, or are subject to different interpretations. Changes in these authorities may cause the tax consequences to vary substantially from the consequences described below. We have not sought and do not intend to seek any ruling from the U.S. Internal Revenue Service (the "IRS") with respect to the U.S. federal income tax consequences described herein. Therefore, this discussion is not binding on the IRS, and the IRS or a court in the event of an IRS dispute may challenge any of the conclusions set forth below. This summary is for general information purposes only and does not purport to be a complete analysis or listing of all potential U.S. federal income tax consequences that may apply to a U.S. Holder as a result of the Merger. In addition, this summary does not take into account the individual facts and circumstances of any particular U.S. Holder that may affect the U.S. federal income tax consequences of the Merger to such U.S. Holder. Accordingly, this summary is not intended to be, and should not be construed as, legal or tax advice with respect to any U.S. Holder. This summary does not address the U.S. federal estate or gift, U.S. federal

alternative minimum, U.S. state and local, or non-U.S. tax consequences to U.S. Holders of the Merger, or any tax consequences with respect to the Company Options, Company Restricted Shares, Excluded Shares or Dissenting Shares.

This discussion is limited to U.S. Holders who hold their Shares or ADSs as capital assets within the meaning of Section 1221 of the Code (generally, property held for investment). This discussion does not address tax considerations that may be important to a particular holder in light of their individual circumstances, or to certain categories of holders that may be subject to special tax rules, such as:

- dealers in securities, commodities or currencies;
- traders in securities that have elected the mark-to-market method of accounting for their securities;
- persons whose functional currency is not the U.S. dollar;
- persons holding the Shares or ADSs as part of a hedge, straddle, conversion or other “synthetic security” or integrated transaction;
- persons that acquired the Shares or ADSs pursuant to an exercise of employee options, in connection with employee incentive plans or otherwise as compensation or in connection with services;
- certain U.S. expatriates;
- financial institutions;
- insurance companies;
- regulated investment companies or real estate investment trusts;
- persons subject to the alternative minimum tax;
- persons that actually or under applicable constructive ownership rules own any interest in Parent, or 10% or more of the Shares and/or ADSs; and
- entities that are tax-exempt for U.S. federal income tax purposes.

If a holder of the Shares or ADSs is a partnership (including any entity or arrangement treated as a partnership for U.S. federal income tax purposes), the tax treatment of a partner in such partnership generally will depend upon the status of the partner and the activities of the partnership. Partners in partnerships holding the Shares or ADSs should consult their tax advisors to determine the appropriate tax treatment of the partnership’s ownership of the Shares or ADSs.

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of the Shares or ADSs that is, for U.S. federal income tax purposes, (i) an individual who is a citizen or resident of the United States, (ii) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created in, or organized under the law of, the United States or any state thereof or the District of Columbia, (iii) an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source, or (iv) a trust (A) the administration of which is subject to the primary supervision of a U.S. court and which has one or more U.S. persons who have the authority to control all substantial decisions of the trust or (B) that has otherwise validly elected to be treated as a U.S. person under the Code.

For U.S. federal income tax purposes, it is generally expected that a U.S. Holder of ADSs will be treated as the beneficial owner of the underlying shares represented by the ADSs. The remainder of this discussion assumes that a U.S. Holder of the ADSs will be treated as the beneficial owner of the underlying Shares represented by the ADSs.

Treatment of Receipt of Cash Merger Consideration in the Merger

Subject to the discussion of the PFIC rules below, upon the receipt of the Merger Consideration in the Merger, a U.S. Holder generally will recognize capital gain or loss in an amount equal to the difference between the amount of the Merger Consideration received and such U.S. Holder’s tax basis in such U.S. Holder’s Shares or ADSs, as applicable. Gain or loss recognized on such sale or other disposition generally will be long-term capital gain or loss if, at the time of the Merger, the Shares or ADSs, as applicable, have been held for more than one year, and generally will be U.S. source gain or loss for U.S. foreign tax credit purposes,

which may limit the ability to receive a foreign tax credit. Preferential rates apply to long-term capital gains of a U.S. Holder that is an individual, estate, or trust. There are currently no preferential tax rates for long-term capital gains of a U.S. Holder that is a corporation. Deductions for capital losses may be subject to limitations.

If a U.S. Holder acquired different blocks of Shares or ADSs at different times or different prices, such U.S. Holder must determine its adjusted tax basis and holding period separately with respect to each block of such Shares or ADSs.

In the event that we are treated as a PRC “resident enterprise” under the EIT Law (as described below under “PRC Tax Consequences”) and gain from the disposition of Shares or ADSs is subject to PRC income tax, a U.S. Holder that is eligible for the benefits of the income tax treaty between the United States and China may elect to treat the gain as PRC source income. Pursuant to recently issued U.S. Treasury Regulations, however, if a U.S. Holder is not eligible for the benefits of the income tax treaty or does not elect to apply the treaty, then such U.S. Holder may not be able to claim a foreign tax credit arising from any PRC tax imposed on the disposition of Shares or ADSs. U.S. Holders are urged to consult their tax advisors regarding the tax consequences if a foreign tax is imposed on a disposition of the Shares or ADSs, including the availability of the foreign tax credit under their particular circumstances, their eligibility for benefits under the income tax treaty between the United States and China and the potential impact of the recently issued U.S. Treasury Regulations.

Certain non-corporate U.S. Holders are subject to a 3.8% tax on certain net investment income, including capital gains from the sale or other disposition of the Shares or ADSs. Non-corporate U.S. Holders should consult their tax advisors regarding the effect, if any, of this tax on their disposition of the Shares or ADSs, as applicable.

Consequences of Possible PFIC Classification

A non-U.S. corporation, such as the Company, will be classified as a “passive foreign investment company,” or PFIC for U.S. federal income tax purposes for any taxable year if, in the case of any particular taxable year, either (i) 75% or more of its gross income for such year consists of certain types of “passive” income or (ii) 50% or more of the average quarterly value of its assets during such year produce or are held for the production of passive income. For this purpose, cash and assets readily convertible into cash are each categorized as a passive asset and the company’s goodwill and other unbooked intangibles are taken into account. Passive income generally includes, among other things, dividends, interest, rents, royalties, and gains from the disposition of passive assets. We will be treated as owning a proportionate share of the assets and earning a proportionate share of the income of any other corporation in which we own, directly or indirectly, at least 25% (by value) of the stock.

Although the law in this regard is unclear, we treat our variable interest entities with which we have maintained contractual arrangements (“VIEs”) as being owned by us for U.S. federal income tax purposes, not only because we exercise effective control over the operation of our VIEs but also because we are entitled to substantially all of its economic benefits, and, as a result, we consolidate its results of operations in our financial statements. If it were determined, however, that we are not the owner of the VIEs and their subsidiaries for U.S. federal income tax purposes, we may be or may have been treated as a PFIC.

Assuming that we are the owner of the VIEs for U.S. federal income tax purposes, and based upon our current income and assets, we do not believe we were classified as a PFIC for the taxable year ended December 31, 2021 and at this time we are unable to determine whether we will be classified as a PFIC for the taxable year ending December 31, 2022 or any future taxable year. Accordingly, whether the assumption that we can rely on the proposed U.S. Treasury regulations holds is uncertain. Because there are uncertainties in the application of the relevant rules and PFIC status is a factual determination made annually after the close of each taxable year, we cannot assure you that we will not be a PFIC for the taxable year ending December 31, 2022 or any future taxable year. While we do not expect to be a PFIC in the current taxable year, no assurance can be given in this regard because the determination of PFIC status is a fact-intensive inquiry made on an annual basis and will depend upon the composition of our assets and income, and the continued existence of our goodwill at that time.

If we are or were a PFIC at any time during a U.S. Holder’s holding period for the U.S. Holder’s Shares or ADSs, and the U.S. Holder has not made a valid mark-to-market election or qualified electing fund election,

any gain recognized by a U.S. Holder on the disposition of a Share or ADS generally would be allocated ratably over such U.S. Holder's holding period for the Shares or ADSs. The amount allocated to the taxable year of the disposition and to any year before we became a PFIC would be treated as ordinary income in the current taxable year. The amount allocated to each other taxable year would be subject to tax at the highest rate in effect for that year, and an additional tax equal to the interest charge generally applicable to underpayments of tax would be imposed on the resulting tax attributable to each such year.

If we are or were a PFIC for any taxable year in which a U.S. Holder held ADSs (but not Shares directly) and certain conditions relating to the regular trading of ADSs have been met in the past, a U.S. Holder of ADSs (but not Shares directly) may have been able to make a so called "mark-to-market" election with respect to its ADSs. If a U.S. Holder made this election in a timely fashion, then instead of the tax treatment described in the preceding paragraph, any gain recognized by the U.S. Holder in the Merger would generally be treated as ordinary income or ordinary loss (limited to the extent of the net amount of previously included income as a result of the mark-to-market election, if any). Because a mark-to-market election cannot be made for any of our subsidiaries that is or may have been a PFIC, a U.S. Holder may continue to be subject to the PFIC rules with respect to its indirect interest in any investments held by the Company that are treated as an equity interest in a PFIC for U.S. federal income tax purposes.

We do not intend to provide information necessary for U.S. Holders to make qualified electing fund elections which, if available, would result in tax treatment different from the general tax treatment for PFICs described above.

U.S. Holders are urged to consult their tax advisors regarding the PFIC rules.

Backup Withholding and Information Reporting

The receipt of Merger Consideration in the Merger may be subject, under certain circumstances, to information reporting and backup withholding (currently at a rate of 24%). To avoid backup withholding, a U.S. Holder that does not otherwise establish an exemption should complete and return an IRS Form W-9, certifying under penalties of perjury that such U.S. Holder is a "United States person" (within the meaning of the Code), that the taxpayer identification number provided is correct and that such U.S. Holder is not subject to backup withholding.

Any amount withheld under the backup withholding rules will be allowed as a refund or credit against the U.S. federal income tax liability of U.S. Holder, provided the required information is timely furnished to the IRS. The IRS may impose a penalty upon a U.S. Holder that fails to provide the correct taxpayer identification number.

THE GENERAL SUMMARY SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION PURPOSES ONLY AND DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO PARTICULAR HOLDERS IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES AND INCOME TAX SITUATIONS, ALL HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS TO DETERMINE THE PARTICULAR TAX CONSEQUENCES OF THE MERGER APPLICABLE TO THEM, INCLUDING THE EFFECT OF ANY U.S. FEDERAL, STATE, LOCAL, OR NON-U.S. TAX LAWS.

PRC Tax Consequences

Under the PRC Enterprise Income Tax Law (the "EIT Law"), which took effect on January 1, 2008, and was amended on December 29, 2018, enterprises established outside of China whose "de facto management bodies" are located in the PRC are considered "resident enterprises," and thus will generally be subject to the enterprise income tax at the rate of 25% on their global income. On December 6, 2007, the State Council adopted the Regulation on the Implementation of Enterprise Income Tax Law, as amended on April 23, 2019, which defines the "de facto management body" as an establishment that has substantial management and control over the business, personnel, accounts and properties of an enterprise. The State Administration of Taxation issued the Notice Regarding the Determination of Chinese-Controlled Offshore Incorporated Enterprises as PRC Tax Resident Enterprises on the Basis of De Facto Management Bodies ("Circular 82") on April 22, 2009, and as amended on December 29, 2017. Circular 82 provides certain specific criteria for

determining whether the “de facto management body” of a Chinese-controlled offshore incorporated enterprise is located in China. Under the EIT Law and its implementation regulations, the PRC income tax at the rate of 10% is applicable to any gain recognized on receipt of consideration by a “non-resident enterprise” from transfer of its equity in a PRC resident enterprise, or other gains, to the extent such gain is derived from sources within the PRC; provided that the “non-resident enterprise” does not have a de facto management body in the PRC and also (a) does not have an establishment or place of business in the PRC or (b) has an establishment or place of business in the PRC, but the relevant income is not effectively connected with the establishment or place of business. Under the Individual Income Tax Law, an individual who disposes a capital asset in China is subject to PRC individual income tax at the rate of 20%. Reduction of or relief from these taxes may be sought under applicable Income Tax Treaties with China.

The Company does not believe it is a resident enterprise defined and regulated by the aforesaid regulations or that the gain recognized on the receipt of consideration for the Shares or ADSs should otherwise be subject to PRC income tax to holders of such Shares that are not PRC residents. However, as there has not been a definitive determination of the Company’s status by the PRC tax authorities, the Company cannot confirm whether it would be considered a PRC-resident enterprise under the EIT Law or whether the gain recognized on the receipt of consideration for such Shares would otherwise be subject to PRC tax to holders of the Shares or ADSs that are not PRC tax residents. If the PRC tax authorities were to determine that the Company should be considered a PRC-resident enterprise, then gain recognized on the receipt of consideration for the Shares or ADSs by holders of Shares or ADSs who are not PRC-residents could be treated as PRC source income that would be subject to PRC income tax at a rate of 10% in the case of enterprises or 20% in the case of individuals (subject to applicable tax treaty relief, if any). Further, the gains recognized on the receipt of consideration for Shares or ADSs will be subject to PRC tax if the holders of such Shares or ADSs are PRC residents, regardless if the Company is considered as a resident enterprise or if such gains are considered as gains derived from sources within the PRC.

In addition, under the Bulletin on Certain Issues Relating to Indirect Transfer of Assets by Non-resident Enterprises (“Bulletin 7”) issued by the State Administration of Taxation, which became effective on February 3, 2015, and the Bulletin on the Source of Deduction of Income Tax for Non-resident Enterprises (“Bulletin 37”) issued by the State Administration of Taxation, which became effective on December 1, 2017, if a non-resident enterprise transfers PRC taxable assets indirectly by disposing of equity interests in an overseas holding company directly or indirectly holding such PRC taxable assets without any reasonable commercial purpose, the non-resident enterprise may be subject to a 10% PRC income tax on the gain from such equity transfer, unless (i) the non-resident enterprise derives income from the indirect transfer of PRC taxable assets by acquiring and selling shares of an overseas listed company which holds such PRC taxable assets on a public market or (ii) where there is an indirect transfer of PRC taxable assets, but if the non-resident enterprise had directly held and disposed of such PRC taxable assets, the income from the transfer would have been exempted from PRC enterprise income tax under an applicable tax treaty or arrangement. According to Bulletin 7, where a non-resident enterprise indirectly holds and transfers equity of a PRC resident enterprise held through an offshore holding company, a list of factors set out by Bulletin 7 should be taken into consideration to assess whether the transfer arrangement would be deemed as having a reasonable commercial purpose. Where non-resident enterprises indirectly transfer PRC-resident enterprises’ equity and avoid obligations to pay enterprise income tax through arrangement without a reasonable commercial purpose, PRC taxation authorities have the power to redefine and deem the transaction as a direct transfer of PRC-resident enterprises’ equity and impose a 10% income tax on the gain from such offshore share transfer. Pursuant to Bulletin 37, where the party responsible to withhold such income tax did not or was unable to withhold, and non-resident enterprises receiving such income failed to declare and pay the taxes that should have been withheld to the relevant tax authority, both the transferor and the transferee may be subject to penalties under PRC tax laws. Bulletin 37 or Bulletin 7 may be determined by the PRC tax authorities to be applicable to the Merger where non-PRC resident holders of Shares or ADS holders were involved, if the Merger is determined by the PRC tax authorities to lack reasonable commercial purpose. The Company does not believe that the Merger is without reasonable commercial purpose for purposes of Bulletin 37 and Bulletin 7, and, as a result, the Company (as purchaser and withholding agent) will not withhold any PRC tax (under Bulletin 7 and Bulletin 37) from the Merger Consideration to be paid to holders of the Shares or ADSs. However, if PRC tax authorities were to invoke Bulletin 37 or Bulletin 7 and impose tax on the receipt of consideration for the Shares or ADSs, then any gain recognized on the receipt of consideration for such

Shares or ADSs pursuant to the Merger by the Company's non-PRC-resident shareholders could be treated as PRC-source income and thus be subject to PRC income tax at a rate of 10% (subject to applicable treaty relief).

Holders of the Shares or ADSs should consult their own tax advisors for a full understanding of the tax consequences of the Merger to them, including any PRC tax consequences.

Cayman Islands Tax Consequences

The Cayman Islands is not party to any double tax treaties applicable to payments to or by the Company. There are no exchange control regulations or currency restrictions in the Cayman Islands.

Payments of dividends and capital in respect of the shares will not be subject to taxation in the Cayman Islands and no withholding will be required on the payment of a dividend or capital to any holder of the Shares, nor will gains derived from the disposal of the shares be subject to Cayman Islands income or corporation tax.
